FLU SEASON is coming!!

Flu season is coming! Children miss a lot of school related to the flu, in addition to other complications that can develop. We encourage you to contact your child's PCP to have your child vaccinated against the flu. Also, there are multiple pharmacies that can give your child a flu shot if your child is 7 and older. Many of these pharmacies are open on the weekends. ~Holly Obrovac, R.N.

BOX TOPS

NMSBVI participates in the Box Tops for Education Program. Will you please help us? Box Tops can be found on many products that you get at any grocery store, such as; Ziploc bags, macaroni & cheese, toilet paper....to name a few. We ask that you cut those out and send them with your child to place in the bin in the dorms or to give to Mrs. Delone. They are worth 10¢ each and they do add up. The money we receive, twice a year, goes to fund the goodie cart in Education that we have for the students.
