INTRODUCTION

This Staff Handbook provides a summary of employee benefits and guidelines with respect to your employment. It does not cover all aspects of your employment with NMSBVI. You are responsible for reading and understanding this Staff Handbook. If anything is unclear or if you have any questions, please discuss them with your supervisor.

Departments may establish additional guidelines and procedures appropriate to their department. Please learn those guidelines and observe them at all times. They are established for your benefit, the department and our students. This Staff Handbook replaces any earlier NMSBVI Staff Handbook. In addition, this Handbook may be revised from time to time, as needed, without prior notice as business, employment, legislative and/or economic conditions dictate. Any such revisions apply to existing as well as future employees. Revisions will be noted in the Staff Handbook section located on the Human Resources Department page of the NMSBVI website, www.nmsbvi.k12.nm.us.

Only the Superintendent may alter or modify any of the provisions of this Staff Handbook. Any requests for alterations or revisions must be in writing and approved by the Superintendent. Statements or promises by an administrator, supervisor, manager or department head may not be interpreted as a change in policy and do not constitute an agreement with an employee.

In the event of a conflict between school or department policies and this Handbook, NMSBVI Board approved Policies and Procedures will govern. NMSBVI policies can be found on the NMSBVI's website at www.nmsbvi.k12.nm.us.

WORKPLACE PRACTICES

Customer and Community Relations

The success of NMSBVI depends upon the quality of the relationships between NMSBVI, our employees, student's and community. NM families' impressions of NMSBVI and their interest and willingness to send their children to our schools are greatly influenced by the people who serve them. You are an ambassador of NMSBVI. The more good will you promote, the more our families will respect and appreciate you, NMSBVI and the programs we offer to students.

Open Communication

NMSBVI encourages you to discuss any issue you may have with a co-worker directly with that person. If a resolution is not reached, please arrange a meeting with your supervisor to discuss any concern, problem or issue that arises during the course of your employment. Retaliation against any employee for the appropriate use of communication channels is unacceptable. Please remember it is counterproductive for employees to create or repeat rumors or gossip.

Title IX Notification, Sex Discrimination/Section 504, ADA (NMSBVI Policy 105)

In compliance with Title IX of the 1972 Education Amendments, NMSBVI hereby notifies all parents, students, patrons, and employees that NMSBVI will not discriminate on the basis of sex in the areas of education, activities, admissions, or employment practices.

Section 504 of the Rehabilitation Act of 1973, including future amendments, provides that:

"No otherwise qualified individual...shall solely by reason of his/her disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.

Reasonable Accommodation of Individuals with Disabilities

NMSBVI makes reasonable accommodations to qualified employees with disabilities for the performance of essential job functions without undue hardship to the school. Accommodations are reviewed case by case in accordance with the Americans with Disabilities Act and any state or local laws that prohibit disability discrimination. Contact the Human Resources Department for questions or assistance.

Equal Employment Opportunity (NMSBVI Policy 200)

NMSBVI is an equal opportunity employer. In order to provide equal employment and advancement opportunities to all individuals, employment decisions at NMSBVI will be based on merit, qualifications, and abilities. NMSBVI does not discriminate in employment opportunities or practices on the basis of race, color, religion, sex, national origin, age, disability, or any other characteristic protected by law.

Any employees with questions or concerns about any type of discrimination in the workplace are encouraged to bring these issues to the attention of their immediate supervisor. Employees can raise concerns and make reports without fear of reprisal. Anyone found to be engaging in any type of unlawful discrimination will be subject to disciplinary action, up to and including termination of employment.

Reduction in Force (NMSBVI Policy 266)

A reduction in force of school personnel may be initiated by the Board of Regents as a result of decreased enrollment, a decrease of educational programs, insufficient state or federal funds for the performance of contracts, or such other circumstances that the Board believes, in the best interest of NMSBVI, requires such reduction. If reduction in force (RIF) cannot be accomplished through normal attrition, such shall be accomplished according to the criteria stated in Policy 266.

Harassment and Discrimination (NMSBVI Policy 155)

NMSBVI intends to provide a work environment that is pleasant, professional, and free from intimidation, hostility or inappropriate behavior which might interfere with work performance. Harassment or discrimination of any sort - whether verbal, physical, or visual based upon race, color, religion, gender, age, sexual orientation, national origin or ancestry, disability, veteran status, or other protected status defined by law, will not be tolerated.

****Anti-Bullying (NMSBVI Policy 517.9)***

Any threat or act of bullying, whether verbal, written, or conveyed in any manner, inflicted against students or staff will result in disciplinary action. Bullying is defined in NMSBVI Policy 517.9. Reports must be submitted in writing to the Superintendent or his/her designee.

Responsibility

All NMSBVI employees, and particularly those in leadership, have a responsibility for keeping our work environment free of harassment and discrimination. Any employee who becomes aware of an incident of harassment or discrimination, whether by witnessing the incident or being told of it, must report it to their immediate supervisor or the Human Resources Department. When the school becomes aware of the existence of harassment or discrimination, it is obligated by law to take prompt and appropriate action, whether or not the victim wants the school to do so.

NMSBVI prohibits any employee from retaliating in any way against anyone who has raised any concern about harassment or discrimination against another individual.

Political Activities (NMSBVI Policy 135)

NMSBVI employees are prohibited from the following political activities: soliciting or handling political contributions, distributing of campaign literature, and soliciting political support for a party, faction, or candidate while on duty for the school. Employees who engage in political activity outside regular work hours will make it clear that individual comments and actions do not represent the view of the New Mexico School for the Blind and Visually Impaired.

Should an employee decide to announce for a public office, it should be determined whether there are any conflicts that are apparent between the employee's responsibilities to NMSBVI and the position of the public office. This should be done through counsel with immediate supervisor and the Superintendent. The school and employees who hold public office will observe compliance with laws, especially those relating to Article Nine, Section Fourteen (the anti-donation clause) of the Constitution of the State of New Mexico.

Drug Free Workplace (NMSBVI Policy 150)

It is NMSBVI's desire to provide a drug-free, healthy, and safe workplace. To promote this goal, employees are required to report to work in appropriate mental and physical condition to perform their jobs in a satisfactory manner.

While on NMSBVI premises and while conducting school or business-related activities off NMSBVI premises, no employee may use, possess, distribute, sell, or be under the influence of alcohol or illegal drugs. The legal use of prescribed drugs is permitted on the job only if it does not impair an employee's ability to perform the essential functions of the job effectively and in a safe manner that does not endanger other individuals in the workplace. All safety-sensitive personnel are subject to random drug and alcohol testing in accordance with Policy 150. Violations of this policy may lead to disciplinary action, up to and including immediate termination of employment, and/or required participation in a substance abuse rehabilitation or treatment program. Such violations may also have legal consequences. Employees with questions or concerns about substance dependency or abuse are encouraged to discuss these matters with their supervisor or the appropriate department director to receive assistance or referrals to appropriate resources in the community. NMSBVI is committed to zero tolerance and adopts and fully supports the U.S. Department of Transportation (DOT) regulation regarding the use of recreational and/or medical marijuana.

Employees are required to notify their supervisor within five (5) days if they are convicted of a criminal controlled-drug statute violation. Failure by an employee to report such a conviction may be grounds for disciplinary action. Supervisors who become aware of a conviction of an employee for a criminal controlled-drug statute violation occurring in the workplace should immediately notify the Human Resources Department. Violation of this policy will result in disciplinary action, up to and including discharge, and referral to law enforcement.

NMSBVI reserves the right to search and inspect for the maintenance of a safe drug-free workplace.

Violence in the Workplace (NMSBVI Policy 261)

NMSBVI prohibits violence in the workplace. Acts or threats of physical violence, including intimidation, harassment and/or coercion which involve or affect NMSBVI or its employees or which occur on NMSBVI property will not be tolerated. This applies to all persons involved in NMSBVI's operation, including personnel, contract and temporary employees and anyone else on NMSBVI property.

Any act or threat of violence will result in disciplinary action, up to and including discharge, and referral to law enforcement.

NMSBVI encourages employees to bring their disputes or differences with other employees to the attention of their supervisors or the Human Resources office before the situation escalates into potential violence. NMSBVI is eager to assist in the resolution of employee disputes, and will not discipline employees for raising such concerns.

Weapons

Possession of dangerous weapons - concealed or unconcealed - on school property, in school vehicles, or in personal vehicles when on school property, shall be in violation of school policy. A dangerous weapon shall include guns, knives, explosives, or any other device defined by statute or as determined by the school, which in the manner used or intended is capable of producing death, harm to person or property, or bodily injury. Violation of this policy shall make the offender subject to appropriate disciplinary or legal action.

Smoking (NMSBVI Policy 145)

NMSBVI prohibits the use of tobacco products including cigarettes, e-cigarettes, cigars, pipes, snuff, and chewing tobacco, by students, staff, parents, guardians and visitors, in school buildings, on school grounds, in school vehicles, or during school functions away from school property.

Personal Visitors (NMSBVI Policy 130)

Personal visitors, except on school business, are discouraged during duty time. It is the immediate supervisor's responsibility to insure that no disruption of duties is taking place. Employees shall insure that appropriate child care arrangements are made for periods of duty. Employees will not bring their children to their duty location.

Computer systems, e-mail systems, telephone systems, voice-mail systems and software furnished to employees are NMSBVI property intended for business use. Employees should not use a password, access a file, or retrieve any stored communication without authorization. NMSBVI strives to maintain a workplace free of harassment and sensitive to the diversity of its employees. Therefore, NMSBVI prohibits the use of computer systems, e-mail systems, and telephone systems, voice-mail systems in ways that are disruptive, offensive to others, illegal or harmful to morale. For example, the display or transmission of sexually explicit images, messages, and cartoons is not allowed. Other such misuse includes, but is not limited to, ethnic slurs, racial comments, off-color jokes, or anything that may be construed as harassment or showing disrespect for others.

E-mail may not be used to solicit others for commercial ventures, religious or political causes, outside organizations, or other non-business matters.

NMSBVI purchases and licenses the use of various computer software for business purposes and does not own the copyright to this software or its related documentation. Unless authorized by the software developer, NMSBVI does not have the right to reproduce such software for use on more than one computer.

Employees may only use software on local area networks or on multiple machines according to the software license agreement. NMSBVI prohibits the illegal duplication of software and its related documentation.

Employees should notify their immediate supervisor, the Information Systems office, or any member of the leadership team upon learning of violations of this policy. Employees who violate this policy will be subject to disciplinary action, up to and including termination of employment.

Intra and Inter Networks Usage

Intranet and Internet access to local and global electronic information resources is provided by NMSBVI to assist employees in obtaining work-related data, information and technology. The following guidelines have been established to help ensure responsible and productive usage. Network usage is intended for job-related activities.

All network data that is composed, transmitted, or received via NMSBVI's computer and communications systems is considered to be part of the official records of NMSBVI and, as such, is subject to disclosure to law enforcement or other third parties. The equipment, services, and technology provided to access the networks remain at all times the property of NMSBVI. As such, NMSBVI reserves the right to monitor network traffic, and retrieve and read any data composed, sent, or received through NMSBVI online connections and stored in NMSBVI network systems.

Data that is composed, transmitted, accessed, or received via NMSBVI networks must not contain content that could be considered discriminatory, offensive, obscene, threatening, harassing, intimidating, or disruptive to any employee or other person. Examples of unacceptable content may include, but are not limited to, sexual comments or images, racial slurs, gender-specific comments, or any other comments or images that could reasonably offend someone on the basis of race, age, sex, religious or political beliefs, national origin, disability, sexual orientation, or any other characteristic protected by law.

The unauthorized use, installation, copying, or distribution of copyrighted, trademarked, or patented material is expressly prohibited. As a general rule, if an employee did not create material, does not own the rights to it, or has not received written authorization for its use, it should not be used or distributed. Employees are also responsible for ensuring that the person sending any material has the appropriate distribution rights.

Network users should take the necessary electronic anti-virus precautions; should not disable any anti-virus or spam filtering before downloading or copying any file from network sources.

Abuse of network access provided by NMSBVI in violation of law or NMSBVI policies will result in disciplinary action, up to and including termination of employment. Each Friday will be a designated casual day, except those Fridays that are scheduled for Board of Regents meetings. NMSBVI desires to maintain its professional image in the eyes of any parents or other important personages who may be attending the Board meetings.

Our primary objective is to have employees project a professional image while taking advantage of more casual and relaxed fashions. Casual dress offers a welcome alternative to the formality of typical business attire.

Solicitations and Distributions (NMSBVI Policy 140)

Solicitation for any cause during working time and in working areas is not permitted. You are not permitted to distribute non-school literature in work areas at any time during working time. Working time is defined as the time assigned for the performance of your job and does not apply to break periods and meal times. Employees are not permitted to sell raffle chances, merchandise or otherwise solicit or distribute literature without management approval. Persons not employed by NMSBVI are prohibited from soliciting or distributing literature on school property.

FERPA

The Family Educational Rights and Privacy Act affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. They are:

The right to inspect and review the student's education records within 45 days of the day NMSBVI receives a request for access. Parents or eligible students should submit to the Superintendent's office, a written request that identifies the record(s) they wish to inspect. The Superintendent will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading. Parents or eligible students may ask NMSBVI to amend a record that they believe is inaccurate or misleading. They should write the NMSBVI Superintendent, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If NMSBVI decides not to amend the record as requested by the parent or eligible student, NMSBVI will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

The right to consent to disclosures of personally identifiable information contained in the student's education record, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by NMSBVI as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the Board of Regents; a person or company with whom NMSBVI has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

The right to file a complaint with the U.S. Department of Education concerning alleged failures by NMSBVI to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are: Family Policy Compliance Office U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4605.

STANDARDS OF CONDUCT

Whenever people gather together to achieve goals, some rules of conduct are needed to help everyone work together efficiently, effectively, and congenially. By accepting employment with us, you have a responsibility to NMSBVI and to your fellow employees to adhere to certain rules of behavior and conduct. The purpose of these rules is not to restrict your rights, but rather to be certain that you understand what conduct is expected and necessary.

Schools Right to Manage, Discipline and Discharge (NMSBVI Policy 260)

Staff Conduct with Students (NMSBVI Policy 125)

NMSBVI employees are expected to maintain a professional relationship with students and parents at all times. Employees are required to adhere to all FERPA and HIPAA regulations. Employees are encouraged to actively participate in learning and recreational activities with students. However, all employees are discouraged from showing favoritism to individual students or groups of students. Employees will not allow students into personal residences, accompany students to an activity, make presentations of gifts, clothing, or cash, or transport students in private vehicles unless authorized specifically by the Superintendent or designee. This does not preclude taking a family to the eye doctor, appropriate individual counseling, tutoring, etc. that are related to an employee's job description and responsibilities. Use of good judgment and avoidance of actions that might place the employee in precarious situations is strongly encouraged.

****Conflict of Interest (NMSBVI Policy 115)***

Employees have an obligation to conduct business within guidelines that prohibit actual or potential conflicts of interest. This policy establishes only the framework within which NMSBVI wishes the school to operate. The purpose of these guidelines is to provide general direction so that employees can seek further clarification on issues related to the subject of acceptable standards of operation.

Employees of NMSBVI shall maintain the highest standards of business ethics in transactions with the school, the state, federal, and local governments and the public. Employees will maintain an attitude of courtesy and service to students, parents, fellow employees and the public. All employees are expected to devote their full working day to school business and to perform their assignments in a manner that reflects sound judgment, appropriate restraint and a sincere interest in the school's mission during the work day. Employees will give precedence to job responsibilities over personal interests. Employees will not participate in any official act affecting business in which the employee has an official interest or is acquiring a financial interest in said business. Employees with interests in a business that does or is likely to do business with NMSBVI will disclose the nature of the interest to the superintendent in writing.

Employees should place the responsibilities and obligations of NMSBVI employment first. Employees may engage in outside work during off-duty time if there is no conflict of interest; there is no interference with the work of NMSBVI, and the outside employment does not interfere with the employee's job efficiency, quality and effectiveness; and there is no use of school facilities, equipment, supplies or staff support. Employees with interests in doing outside consulting or contract work will disclose all commitments to the superintendent in writing.

Personal Relationships in the Workplace (NMSBVI Policy 230)

Relatives of current employees may not occupy a position that will be working directly for or supervising their relative. Individuals involved in a dating relationship with a current employee may also not occupy a position that will be working directly for or supervising the employee with whom they are involved in a dating relationship. NMSBVI also reserves the right to take prompt action if an actual or potential conflict of interest arises involving relatives or individuals involved in a dating

relationship who occupy positions at any level (higher or lower) in the same line of authority that may affect the review of employment decisions.

If a relative relationship or dating relationship is established after employment between employees who are in a reporting situation described above, it is the responsibility and obligation of the supervisor involved in the relationship to disclose the existence of the relationship to management.

Employees in a close personal relationship should refrain from public workplace displays of affection or excessive personal conversation.

Progressive Discipline Process

Managers may use a number of tools to correct and/or discipline employees, including, but not limited to warnings, reprimands, administrative leave with or without pay, and discharge, as determined to be appropriate in each individual circumstance. Progressive discipline may be used to correct employee behavioral or performance problems.

However, there may be situations where the severity or seriousness of the offense justifies the omission of one or more of the steps in this process. Likewise, there may be situations where a disciplinary step is repeated.

Administrative Leave Pending Possible Disciplinary Action

If you are suspected of violating the schools policies, procedures, or work rules, you may be placed on administrative leave, with or without pay, pending an investigation of the situation.

Grievance Procedures (NMSBVI Policy 215)

In spite of NMSBVI's desire to treat all employees fairly and equally, misunderstandings may occur on the job that sometimes results in a complaint.

If the complaint arises out of working conditions beyond the employee's control and cannot be resolved by informally discussing it with the employee's supervisor, a grievance procedure has been instituted to assist the employee in resolving his/her grievance at the lowest possible level.

The purpose of this policy is to establish an orderly process for resolving any employee/work related issues that cannot be resolved in an informal manner. After following the New Mexico School for the Blind & Visually Impaired (NMSBVI) grievance policy, if satisfactory resolution is not achieved, employees may file a complaint with the NM Department of Labor, Human Rights Division, or the U.S. Department of Education, Office of Civil Rights. Contact information is available in the Human Resources office.

Definitions:

A grievance is an allegation by an employee that the treatment received from a supervisor, administrator or another employee is unfair or improper or that there has been a violation, a misinterpretation or an inequitable application of board policy, administrative rules, or procedures which directly affect the grievant. The following situations are not covered by this grievance procedure and are therefore not grievable under this policy.

- the discretionary act(s) of professional judgment relating to the evaluation of the work performance of any employee by his or her immediate supervisor;
- any personnel decision made by the Board, including, but not limited to, a refusal to re-employ, a discharge, a demotion, or any other action directly and adversely affecting the employment of an employee;
- situations in which the Superintendent and Board are without authority to act;
- situations in which the remedy for the alleged violation exclusively resides in some person, agency, or authority other than the Board;
- situations that pertain to a different procedure, remedy, law or Board policy;
- former employees cannot file grievances after the effective date of termination or discharge from employment.

Mediation:

It is the policy of the New Mexico School for the Blind and Visually Impaired that mediation is an effective way to resolve disputes. A trained mediator can facilitate communication between disputing parties which can lead to greater understanding and mutual agreement. Beyond resolving disputes, the mediation process can preserve and even enhance valuable working relationships. Although either party in a dispute can request the services of a mediator, a mediator will only be employed if both parties agree to participate.

Jurisdiction:

- a. All NMSBVI employees have the right to utilize the internal grievance procedure.
- b. Grievances must be initiated within twenty (20) working days of the initial act or omission giving rise to the complaint or concern, or within twenty (20) days of the employee's knowledge of that act or omission.
- c. Complaints will be kept as confidential as practical.

Procedures:

a. Level One: Informal Procedures

Employees with a complaint should promptly discuss the matter with their immediate supervisor where appropriate. Normally, this discussion should be held within 3-5 days of the incident, or in a timely manner, and in no event outside of 20 days. Discussions held in a timely manner will enhance NMSBVI ability to resolve concerns promptly.

b. Level Two: Administrative Review

If the solution offered is not satisfactory, or if it is inappropriate to go to the supervisor, employees are encouraged to immediately take the problem to the Director of Human Resources. If this is the first level of grievance, the 20 day rule applies. The Director of Human Resources may require the employee to formally present the grievance in writing. The Director of Human Resources will provide a decision in writing within five (5) business days.

c. Level Three: Appeal

If the grievant is not satisfied with the resolution of the grievance at Level Two, the grievance may proceed to the Superintendent (or designee). The grievance must be submitted to the Superintendent within five (5) work days after receipt of the Level Two resolution. Within five (5) work days of receipt of the written grievance the Superintendent (or designee) shall respond with a written decision on the grievance.

d. Level Four: Discretionary Review by Board of Regents

1. The Board has discretion whether to grant Level Four review. Within five (5) work days after the grievant receives written notification of the Superintendent's (or designee's) ruling on the grievance, the grievant may appeal in writing for a hearing before the Board of Regents. The written petition for a hearing shall be presented to the Superintendent (or designee). The Board will, within the next five (5) days, decide whether or not to hear the appeal. If the Board opts not to hear the appeal, the decision by the Superintendent (or designee) in Level Three is the final decision within the school. If the Board agrees to review the decision, the Superintendent shall establish a time for the hearing before the Board of Regents within the next regularly scheduled Board meeting, and shall give the grievant five (5) work days written notice of the time and location of the hearing.
2. In the event the next Board meeting is scheduled within five (5) work days, not allowing a full five (5) days notice, the Superintendent (or designee) will consult with the interested parties and determine if the hearing will be held at this Board meeting (within five (5) days) or at the next regularly scheduled meeting of the Board. In any case, the hearing will be held within thirty (30) days of the Board's decision to hear the appeal. The Board of Regents has the option of scheduling a special meeting to hear the grievance prior to the next regularly scheduled meeting, provided that the five (5) day notice to the grievant and party-in-interest is allowed.
3. The Board of Regents may review all decisions made through the appeal process at all levels previous to Level Four. The board may affirm, reverse or modify decisions made at previous levels, hold such hearing or dispose of the grievance as it deems appropriate for a final disposition of the matter.
4. Final disposition of the grievance shall be communicated to the interested parties, in writing, by the Board of Regents through the Superintendent (or designee), within five (5) work days following the decision. The decision of the Board of Regents is the final recourse within the School.

All employees within NMSBVI are afforded the right to utilize the school's internal grievance procedure. Grievances must be current and must be pursued within twenty (20) working days of the initial alleged wrongdoing or knowledge thereof. All materials and conversations submitted by an incumbent in the grievance process shall remain confidential and shall not be disclosed except by written permission of the grievant. Records will be kept a minimum of three years. Title IX, Section 504 of the Rehabilitation Act of 1973 and other laws relating to employee discrimination will be covered by this grievance procedure.

The Superintendent or designee may waive the 10 year minimum requirement depending upon the type or severity of infraction, length of time since the infraction; whether or not a pattern of infractions is present and whether the candidate is in complete compliance of the court.

Immigration Law Compliance (NMSBVI Policy 225)

All offers of employment are contingent upon verification of your right to work in the United States. You will be asked to provide original documents verifying your right to work and, as required by federal law, to sign Federal Form I-9, Employment Eligibility Verification Form. If you cannot verify your right to work in the United States at any time, NMSBVI may terminate your employment.

Licenses/Certificates (NMSBVI Policy 240)

All licensed personnel must hold a valid New Mexico Public Education Department license and/or regulating board for their assigned position. The license must be on file in the Human Resources office. Any person teaching, supervising an instructional program, counseling or providing special instructional services in a public school or state agency, and/or administering in a public school without a valid license after the first three months of the school year shall thereafter forfeit all claim to compensation for services rendered. (NMSA, 22-10A-3)

It is the employee's responsibility to secure the license and to keep it valid. Further, it is the employee's responsibility to furnish materials for the maintenance of a current file of transcripts and licenses in the Human Resources office. If an employee earns the necessary number of hours to advance on the salary schedule, an official transcript verifying this fact must be on file prior to September 1 of the respective year in order to receive the increment on the current contract. The employee is responsible for obtaining the official transcript, and the credits must be directly relevant to the employee's professional field.

Braille Protocol (NMSBVI Policy 241)

All staff directly involved with students are required to achieve a level of Braille proficiency. All other employees of NMSBVI are required to achieve skills at a Braille awareness level. Once staff have completed the Braille Proficiency course they are required to pass a proficiency assessment at either Level I or Level II depending on their job classification. NMSBVI's commitment to Braille literacy includes yearly assessment of the staff's Braille proficiency skills. Staff assigned to transport students a written record of driving history will be obtained from the Motor Vehicle Division at least annually.

Citation and moving violation history will be reviewed by the Director of Human Resources and/or Superintendent to determine if there is a risk to NMSBVI property, staff or students by the individual operating NMSBVI vehicles. Depending on the severity and/or repetitiveness of infractions demonstrated on the record, NMSBVI will take all actions it deems reasonably necessary

to protect the health/safety of staff and the property of NMSBVI. NMSBVI reserves the right to suspend or revoke employee driving privileges and/or to discipline employees, up to and including discharge, for infractions that, in the sound discretion of the superintendent, bear on the employee's fitness to transport students or staff.

All school vehicles shall be driven at a speed not to exceed posted speed limits on state, U.S. highways, interstates, roads, and within city or village limits. Individuals who are convicted of traffic violations; are observed by school officials operating a school vehicle in violation of the law; or who are detected by current technology (i.e. GPS), operating a vehicle in excess of posted speed limits while in the performance of their duties will be subject to all fines and fees as a result of a conviction, and such conviction or violation detection may result in disciplinary action: up to and including discharge.

The use of a cell phone or other electronic device for text messaging while operating a school vehicle is strictly prohibited.

The use of tobacco products is strictly prohibited in all school vehicles.

EMPLOYMENT CLASSIFICATIONS

(NMSBVI Policy 202)

Non-Exempt and Exempt Employees

Employees in certain types of jobs are entitled to overtime pay for hours worked in excess of forty (40) hours per workweek. These employees are referred to as "non-exempt" in this Employee Handbook. This means that they are not exempt from (and therefore should receive) overtime pay. Exempt employees include teachers, administrators, principals, professional staff, directors and others whose duties and responsibilities exempt them from statutory overtime pay provisions. Exempt status means that they do not qualify for overtime compensation.

Regular Full-time Employees

An employee who is regularly scheduled to work at least 40 hours per week is considered a regular full-time employee. Education Assistant's working at least 35 hrs per week at the Early Childhood Program are also considered full-time. Regular full-time employees are eligible for legally mandated benefits as well as NMSBVI's benefit package. Benefits will be pro-rated according to the employees full-time regularly scheduled hours if less than 40 hours.

****Regular Part-Time Employees***

An employee who is regularly scheduled to work 20 or more hours, but less than 40 hours per week is considered a regular part-time employee. Regular part-time employees are eligible for legally mandated benefits as well as NMSBVI's benefit package. Regular part-time employees do not accrue leave.

***Temporary Full-time or Part-time Employees**

NMSBVI hires employees for specific periods of time, who are hired as interim replacements, supplement the workforce, or for the completion of a specific project. The job assignment, work schedule and duration of the position will be determined on an individual basis. Normally, a temporary position is of a limited duration and will not exceed nine (9) months, unless specifically extended by a written agreement. Temporary full-time or part-time employees are eligible for legally mandated benefits, but are not eligible for NMSBVI's benefit package.

If the position for which you have been hired will exist for a pre-designated period of time, such as a federal grant period, you will receive a temporary assignment. You will be informed of the nature and duration of the appointment.

Limited-term Employees

NMSBVI hires employees on an emergency basis for a period of up to, but not to exceed one year. An emergency position/hire is created to address an immediate problem or critical situation within a department. Limited-term employees are eligible for legally mandated benefits as well as NMSBVI's benefit package.

A temporary/limited term employee does not become a regular full-time employee by virtue of being employed longer than the agreed upon specified period.

Substitute Employees

Employees hired in this category are assigned to work on an intermittent and/or unpredictable on call as needed basis. Substitutes are eligible for legally mandated benefits, but not eligible for NMSBVI's benefit package.

Summer Employment (NMSBVI Policy 207)

Short Term Temporary Summer Employment is considered outside of annual contracts, unless extended time has been approved. Summer employment includes summer camps, maintenance/paint crews, summer food services, transportation, recreation, health services and outside programs requiring NMSBVI staff. Pay schedule is based on approved summer pay rates.

Tenured Employees

Certified (licensed) and non-certified staff achieve tenure status following completion of three full consecutive years of service at NMSBVI. "Tenure" gives the employee reasonable expectations of continued employment from year to year, even though the employee may be under an annual contract. A tenured teacher, for example, has reasonable expectation that his or her contract will be renewed for the following school year. Tenure also provides the employee with certain rights regarding dismissal.

Tenured employees may be dismissed (or the contract not renewed) only for just cause ("just cause" means a reason that is rationally related to an employee's competence or turpitude or the proper performance of duties, and is not in violation of the employee's civil or constitutional rights). The tenured employee has the right to a statement of reasons for the dismissal (or non-renewal of contract). The tenured employee has the right to a hearing before the Board of Regents, and, if not satisfied with the Board's decision, may request independent arbitration.

Non-certified staff members who have not acquired tenure (i.e., have not been employed continuously for three years by NMSBVI) have the right to a statement of reasons for dismissal and to due process (a hearing) if dismissed during the period of their contract. At the end of a contract period for a non-certified staff member, if NMSBVI elects not to renew the contract it must provide a statement of reasons, but is not required to provide a hearing.

WORK SCHEDULE

****Hours of Work (NMSBVI Policy 236)***

The work day shall consist of specified hours of work with a paid or unpaid meal period. The schedule of hours for employees shall be determined by the Supervisor where assigned. The work day for employees may vary depending upon job classification and job assignment.

When it is necessary for an employee to be absent, the employee must notify the Supervisor or designee in advance of his or her absence and of the duration of the absence. In the event that no advance notice can be given, employees are required to notify the Supervisor **one hour prior** to the start of their shift.

Administrative offices must be covered by the appropriate staff between the hours of 8:00 a.m. to 5:00 p.m. Monday through Friday of any work day unless an abbreviated schedule has been authorized by the Superintendent or designee. The work day schedule for employees may be adjusted by the Supervisor or Department Director to accommodate the work load as needed.

Breaks (NMSBVI Policy 236)

Employees have the option of taking two (2) paid rest periods not to exceed fifteen (15) minutes each for each work day if the work load permits and as approved by their Supervisor. This option allows for one rest period in the first half of the scheduled shift and one rest period in the second half of the shift, not to be combined so as to extend the fifteen (15) allowance. Employees are required to clock in and/or clock out for breaks.

****Meals (NMSBVI Policy 236)***

Employees assigned more than four (4) hours of daily work time shall have a minimum of thirty (30) minutes or a maximum of sixty (60) minutes unpaid meal period. The employee's meal period may be adjusted by the Supervisor as deemed necessary. In order to meet the mission of the school, staff may be required to eat with the students while they are on the clock, and as a result their meal is paid by NMSBVI. All other staff are required to clock in and/or out for meal periods. Residential campus employees who purchase meals in the dining hall will be charged \$3.00 and guests meals at a cost of \$4.00. Food charges will be taken through payroll deduction.

Absences or Lateness

If you are unable to report to work, or if you will arrive late, contact your supervisor immediately. If you know in advance that you will be absent, you must request this time off directly from your supervisor using the Leave and Overtime Request form.

A consistent pattern of absences can be considered excessive. In addition, excessive lateness or leaving early may carry the same weight as an absence. Other factors, like the degree and reason for the absences or lateness, will be taken into consideration.

Unauthorized or excessive absences, lateness, or leaving early may lead to disciplinary action, up to and including discharge.

Severe Weather

The official school policy on extraordinary weather conditions requires that normal operations be continued as much as possible. Essential services (i.e. heating/plumbing, electrical, grounds, health services, residential, food services, transportation, and education) must be maintained in spite of severe weather.

In the event of severe weather school employees working in these areas should remain on duty or report to work to avoid interruption of essential services, unless directed or permitted to do otherwise by their supervisors. Employees must consult with their supervisor for each weather emergency to determine if they are deemed essential personnel in that instance as that designation may vary by circumstance.

Albuquerque ECP staff follow the Albuquerque Public School's severe weather schedule. Cancellation of school due to weather conditions may occur when there is a city wide cancellation or when there is a weather cancellation for the entire public school districts ordered by Governor's office.

Except in the most severe cases, all employees are expected to report to work. Those employees who cannot get to work on time or at all are expected to contact their department supervisor to advise them of the situation within one (1) hour of the start of their regular workday. If phone lines are tied up, employees should keep trying to leave a voicemail message.

SAFETY

General Student & Employee Safety

NMSBVI is committed to the safety and health of all students and employees, and recognizes the need to comply with regulations governing injury and accident prevention and student and employee safety. Maintaining a safe environment requires the continuous cooperation and vigilance of all employees.

NMSBVI will maintain safety and health practices consistent with the needs of our school. It is the responsibility of all employees to be fully aware of all adopted school safety and health practices and to incorporate these practices into their daily routines. If any employee has questions or concerns regarding any safety issue, it is the employee's responsibility to ask their supervisor for guidance and assistance. Any suspected unsafe conditions, and all injuries that occur on the job, must be reported immediately. Compliance with the school's safety rules is considered a condition of employment. For reporting procedures and responsibilities refer to the policies listed below:

- NMSBVI Policy No. 600 Hazard Communication Program
- NMSBVI Policy No. 601 School Safety Committee

- NMSBVI Policy No. 610 Emergency/Disaster Policy

****Workers' Compensation - Occupational Illness/Injury (NMSBVI Policy 455)***

In accordance with the provisions of the Workers' Compensation Act, Chapter 52, NMSA 1978, all NMSBVI employees are covered for occupational injuries and illnesses accidentally sustained or death resulting therefrom. Employees are encouraged to utilize the Workers' Compensation program for any and all injuries/illnesses and in no way will be penalized or terminated for filing a claim.

All accidents, injuries, potential safety hazards, safety suggestions and health and safety related issues must be reported immediately to your supervisor. Refer to NMSBVI Policy No. 455 for reporting procedures and responsibilities. A Notice of Accident Form must always be completed in case medical treatment is later needed and to ensure that any safety hazards are corrected. The Employee's Claim for Workers' Compensation Benefits Form must be completed in all cases in which an injury requiring medical attention has occurred. If you or another employee is seriously injured, contact outside emergency response agencies immediately, if needed.

Federal law requires that we keep records of all illnesses and accidents that occur during the workday. The New Mexico State Workers' Compensation Act also requires that you report any workplace illness or injury, no matter how slight. If you fail to report an injury, you may jeopardize your right to collect workers' compensation payments as well as health benefits.

Stay at Work - Return to Work Program (NMSBVI Policy 456)

This program is to provide NMSBVI employees who are unable to perform their regular duties following a workplace injury with suitable, transitional employment. This may include modifying the worker's original position or providing an alternate position depending on the worker's physical abilities. This program is intended to promote speedy recoveries, while allowing employees to provide a service and continue to contribute to the productivity of our organization.

COMPENSATION

The goal of the NMSBVI compensation program is to attract qualified applicants and encourage well-performing employees to stay with our school. With this in mind, our compensation program is built to balance both employee and NMSBVI needs.

NMSBVI encourages employees to review the Human Resources section of the NMSBVI website at www.nmsbvi.k12.nm.us for salary schedules.

Paychecks

Employees can access their "Pay Check Statement" using the iVisions "Web Portal" or "MyPortal" that can be accessed through our website. For more information contact Human Resources.

Paychecks are issued every two weeks or 26 times per year, for both 12-month and nine (9) month full-time employees. Your check is direct deposited into your bank account, if you believe that any amount you receive is in error, notify your supervisor immediately.

Direct Payroll Deposit

All employees are required to participate in direct deposit. Direct payroll deposit is the automatic deposit of your paycheck directly into a financial institution account. Contact the Payroll Department for details and the necessary authorization forms. You may elect your deposit to be split amongst up to 4 financial institutions or accounts.

Mandatory Deductions from Paycheck

NMSBVI is required by law to make certain deductions from your paycheck. Among these are your federal, state and local income taxes and your contribution to Social Security and Medicare, New Mexico Retirement and Retiree Healthcare. These deductions are itemized on your check stub. The amount of the deduction depends upon your earnings and the information you furnished on your W-4 form. Other mandatory deductions that may be made from your paycheck, such as court ordered garnishments, will be explained whenever NMSBVI is ordered to make such deductions.

Overpayment of Earnings

If you have been overpaid in your paycheck, you must contact Human Resources immediately or Human Resources may contact you. Any overpayment must be returned to NMSBVI in full upon request by Human Resources.

Overtime Pay (NMSBVI Policy 235)

If you are a non-exempt employee, you are eligible to receive overtime pay at the rate of one and one-half (1 1/2) times your regular hourly wage for hours worked over forty (40) hours in one (1) work week. Hours away from the job because of a job-related injury, holiday, jury duty, vacation, or sick leave are not counted as hours worked for the purpose of computing eligibility for overtime pay. All overtime must be approved in advance by your supervisor using the Leave and Overtime Request form.

Accrued Leave (NMSBVI Policies 405, 425, 440)

All full time employees are expected to be at work during the days/times required by contract, or in the absence of contract terms, during NMSBVI's regular business hours, Monday through Friday, 8 am to 5 pm or during the employees regular work schedule. Employees who take partial days off for reasons for which leave may be used, must use available leave for whatever portion of the day that they are absent (e.g. an employee who leaves work two hours early for personal reasons will have two hours deducted from accrued leave). However, supervisors may approve alternate work week schedules, and they may also permit absence without deducted leave where an employee's hours have already exceeded forty for the week. A Leave and Overtime Request form must be submitted for alternate work weeks, all partial day and/or full day absences.

Time Records

Recording of time worked is necessary for collection of costs and proper control. An electronic time-keeping system is utilized by staff on the Alamogordo and Albuquerque campuses. Outreach staff record time manually on a electronic time card.

It is the employee's responsibility to record time worked. No person other than the employee may record time on the electronic system or on the time card. All records should be reviewed by the employee daily to insure accuracy. If a discrepancy is identified, the immediate supervisor should be contacted for correction.

Time cards should be signed and submitted to the immediate supervisor at the end of each pay period. Time records will be verified by the supervisors and submitted to the Payroll department.

Hourly employees will be paid only for the hours documented through the electronic or manual timekeeping systems.

PERFORMANCE REVIEWS

Performance Reviews

Supervisors and employees are strongly encouraged to discuss job performance and goals on an informal, day-to-day basis. Additional formal performance evaluations are conducted to provide both supervisors and employees the opportunity to discuss job tasks, identify and correct weaknesses, encourage and recognize strengths, and discuss positive, purposeful approaches for meeting goals.

Meetings with Supervisors are conducted prior to recommendations for reemployment in the spring of each year. (Licensed Personnel--April; Superintendent--May; Administration and Hourly--May). The evaluation process will promote personal and professional growth for all employees, as well as provide data, when necessary, for administrative decisions regarding personnel and programs.

BENEFITS

NMSBVI sponsors a comprehensive benefits program through Risk Management. NMSBVI also provides additional voluntary benefits for all eligible employees. NMSBVI periodically reviews its benefits program and may make modifications as appropriate. NMSBVI reserves the right to amend, add to or terminate these plans at any time. This right of amendment/termination shall apply equally to all participants.

Retirement Savings, Tax-sheltered Annuity Plans

To assist employees in saving money for retirement federal tax laws permit special retirement programs established specifically for employees of public schools. NMSBVI's supplemental retirement plan specifically written for its employees is called the 457(b) plan. Employees pay no current taxes on amounts contributed until the employee begins receiving distributions. Date of distribution for the 457(b) plan is upon termination of employment. The plans available for NMSBVI staff are, First Financial 457(b) and Nationwide Retirement Solutions 457(b).

State and Federal Mandated Benefits

Worker's Compensation (NMSBVI Policy No. 455)

NMSBVI provides a comprehensive workers' compensation insurance program at a cost of \$2.00 per calendar quarter to employees. This program covers any injury or illness sustained in the course of employment that requires medical, surgical, or hospital treatment. Subject to applicable legal requirements, workers' compensation insurance provides benefits after a short waiting period or, if the employee is hospitalized, immediately.

Employees who sustain work-related injuries or illnesses should inform their supervisor immediately. No matter how minor an on-the-job injury may appear, it is important that it be reported immediately. An official Notice of Accident, Form NOA-1, must be completed and signed by both the employee and the immediate supervisor or other authorized agent of NMSBVI.

Neither NMSBVI nor the insurance carrier will be liable for the payment of workers' compensation benefits for injuries that occur during an employee's voluntary participation in any off-duty recreational, social, or athletic activity sponsored by NMSBVI.

Unemployment Compensation (NMSBVI Policy 450)

New Mexico Retirement Plans

Employees of NMSBVI are mandated to participate in either the Educational Retirement Association (ERA) or the Public Employees Retirement Association (PERA). Because NMSBVI is considered a special purpose school, employees that are not "Regular Members" can choose between the two retirement plans.

"Regular Members" are all individuals that are regularly employed teaching staff, administrators, nurses, whether full-time or part-time.

"Provisional Members" are all other persons regularly employed by the school who do not fall into the "Regular Members" category, (education assistants, transportation, maintenance, etc.) Only Provisional Members can exempt themselves from ERA and participate in the PERA.

FICA (Social Security/Medicare)

In accordance with the applicable federal law, all employees are required to participate in and contribute to Social Security. The school also makes a mandatory matching contribution on behalf of employees. Contribution levels are established by law, and are subject to change. To obtain information about Social Security and related programs, you may contact the local Social Security office.

LEAVES

Both paid and unpaid time off may be granted to eligible employees, according to the leave policies. Leave that has been accrued must be used when time off is requested. Only under extenuating circumstances will leave without pay be granted. If granted, the employee is responsible for both employee and employer benefit premiums.

General Provisions

Use of Leave:

When an employee becomes ill or is injured on the job, sick leave begins at the time of inability to continue work.

Insurance Premium Payment during Leaves of Absence:

NMSBVI will continue to pay its share of insurance premiums for employee coverage and dependent coverage for a maximum of one (1) year while you are on an unpaid leave of absence. You will be responsible for paying your share of the premiums during this time. Failure to do so will result in loss of coverage. Consult with Human Resources to set up a payment schedule.

Immediate Family:

Immediate family is defined to include husband, wife, child, grandchild, parent, grandparent, sister, or brother, as well as a lawful spouse's immediate family member as defined herein and/or domestic partner executed by an affidavit and on file with the Human Resources office.

A request for Personal Leave must be submitted at least one week prior to the planned Personal Leave date. No Personal Leave will be granted on a non-scheduled work day. The utilization of Personal Leave during the first and last months (August & May) of the school year should be avoided, unless there is a verifiable emergency situation. Personal leave shall not be approved during the first or last five (5) days of the academic year or on an in-service day.

In order to ensure that adequate staffing levels are maintained, immediate supervisors may place a cap on the number of staff that are granted Personal Leave, for any given period of time.

Professional Leave (NMSBVI Policy 430)

Professional leave may be granted at the discretion of the school, upon request, to attend professional conferences, seminars, workshops and other educational training programs which are usually of short duration. This leave may be granted with or without pay if the employees are representatives of NMSBVI at the above-mentioned activities. Scheduled professional leave may not impede the operation of the school.

Sick Leave (NMSBVI Policy 440)

Full-time employees who receive benefits earn sick leave on the basis of one day per month worked. Sick leave may be accumulated up to 720 hours. Part-time and substitute employees do not earn sick leave. It is understood that sick leave is for the benefit and convenience of the employee while employed by NMSBVI and accumulated sick leave benefits are cancelled upon the termination of employment. Sick leave may be taken in the case of illness in the immediate family. The employee's supervisor should be notified of illness within one (1) hours of the employee's work shift, preferably before the start of the shift or as practical if prior notification is not practical. When employees are absent for more than three (3) consecutive days due to illness or injury, he/she must submit to his/her supervisor a "Physician's Statement" certifying he/she was under the doctor's care during the period of absence and was unable to work.

An employee who has accumulated 600 hours of unused sick leave may be paid for additional unused sick leave over 600 at a rate equal to 50% of the employee's hourly wage multiplied by the number of hours of unused sick leave over 600, not to exceed 120 hours of such sick leave. Payment for this sick leave shall be made only on the payday immediately following the first full pay period in January and the first full pay period in July.

Retiring employees may be paid for additional unused sick leave over 600 hours not to exceed 120 hours at the rate of 50% of their hourly wage. All others may donate any unused sick leave hours to the Catastrophic Leave Bank.

Voting Leave

Voting leave will be granted to employees who are eligible voters and whose work day begins less than two (2) hours after the polls open and ends less than three (3) hours before the polls close. This leave will be granted for a maximum of two (2) hours with pay in order to vote in an election recognized under the law. - to care for the employee's spouse, son or daughter, or parent who has a serious health condition;
- for a serious health condition that makes the employee unable to perform any one of the essential functions of his or her position or requires the employee to take a necessary absence from work to receive medically necessary treatment;
- because of a qualifying exigency arising out of the fact that the employee's spouse, son or daughter, or parent is a covered military member on active duty or call to active duty status in support of a contingency operation;

- to care for a covered service member who is the employee's spouse, son or daughter, parent, or next of kin.

In the event of a serious health condition of the employee or his/her child, spouse, or parent, creating a need for unforeseen family or medical leave, the employee must provide notice, as soon as practicable. If the employee will be absent for five (5) consecutive days or more, a Leave of Absence Request Form must be completed. A written physician's certificate is also required. The certificate must include the date on which the health condition occurred, the probable duration of the condition, an estimate of the amount of time you need to be off work to care for the family member or for your own health condition, and confirmation that the nature of the condition warrants you to be away from work to care for yourself or your dependent.

Employees shall be required to give thirty (30) days advance notice in the event of a foreseeable medical treatment. To assist us in arranging work assignments during your absence, we ask that you give us prior notice, to the extent possible, of an expected birth or adoption, as well as an indication, to the extent known, of your expected return date. To facilitate your return to work, we also ask that you provide us with advance notification of your intended return date. Failure to do so may delay your return date.

Benefits that accumulate on an accrual basis (vacation, sick and personal days) will cease to accrue during the leave period. Employees must use all accrued sick leave, unused vacation and personal days during the leave period. Once such benefits are exhausted, the balance of the leave will be without pay.

Group insurance benefits (medical, dental, vision, life and disability) will continue during the leave provided the employee continues to make required contributions to these plans. Failure to make such contributions will result in the termination of these benefits. If an employee fails to return to work after Family Medical Leave, the employee will be held liable for the amount of health insurance premiums paid by NMSBVI during the employee's unpaid leave. Other benefits, such as retirement and 457b plans, will be governed in accordance with the terms of each plan.

In the case of an employee's own serious health condition, before the employee will be permitted to return from medical leave, he or she will be required to present NMSBVI with a written physician's statement indicating that the employee can return to work and perform the essential functions of his/her position. In addition, the employee must submit the Return to Work Certificate which the treating physician completes.

Vacation Leave (NMSBVI Policy 405)

Vacation time off with pay is available to eligible employees to provide opportunities for rest, relaxation, and personal pursuits.

Full-time 12 month employees are entitled to one vacation day per month worked. After being employed for seven consecutive years, the employee is entitled to one and one-half vacation days per month worked.

Nine-month employees do not "earn" vacation time; they are granted "personal leave" as discussed elsewhere in this book.

The length of eligible service is calculated on the basis of a "benefit year." This is the 12-month period that begins when the employee starts to earn vacation time. An employee's benefit year may be extended for any significant leave of absence except military leave of absence. Military leave has no effect on this calculation.

Military Leave of Absence (NMSBVI Policy 420)

Employees who perform duty, voluntarily or involuntarily, in the "uniformed services," which include the Army, Navy, Marine Corps, Air Force, Coast Guard, as well as the reserve components of each of these services, Army National Guard, Air Force National Guard, Commissioned Corps of the Public Health Service, and any other category of persons designated by the President in time of war or emergency, will be eligible for re-employment after completing duty, provided:

- a. They provide written or verbal notice of their orders to their supervisor/Human Resources as soon as received (unless precluded by military necessity or otherwise impossible/unreasonable);
- b. They satisfactorily complete duty of five (5) years or less;
- c. They begin duty directly from employment with NMSBVI; and
- d. They apply for and are available for re-employment as follows:
 - 1) Less than 31 days service: By the beginning of the first regularly scheduled work period after the end of the calendar day of duty, plus time required to return home safely and an eight hour rest period. If this is impossible or unreasonable, then as soon as possible.
 - 2) 31 to 180 days: No later than 14 days after completion of duty. If this is impossible or unreasonable through no fault of the employee, then as soon as possible.
 - 3) 181 days or more: No later than 90 days after completion of duty.
 - 4) Service-connected injury/illness: Reporting or application deadlines are extended or up to two (2) years for persons who are hospitalized or recovering.

Performing duty, voluntarily or involuntarily, includes:

Active duty, active duty for training, and initial active duty for training; Inactive duty training; Full-time National Guard duty; Absence from work for an examination to determine a person's fitness for any of the above types of duty; Funeral honors duty performed by National Guard or reserve members; and Duty performed by intermittent disaster response personnel for the Public Health Service, and approved training to prepare for such service.

Employees who serve in "uniformed services" will be paid for up to 15 days per fiscal year, for active duty, active duty training, and inactive duty training. Employees may apply accrued personal days and unused earned vacation time to the leave if they wish; however, they are not obliged to do so.

Employees on military leave shall be granted any improvement in salary or other terms and conditions of employment which would have accrued to them had they remained in active service with the school, provided such employees seek reinstatement with the school within thirty (30) days following discharge from the military service.

Catastrophic Leave Bank Program (NMSBVI Policy 460)

Employees who earn sick leave from the school and have suffered a catastrophic illness or injury (excluding normal pregnancy) or member of the employee's immediate family that requires hospitalization or home confinement may be eligible to use the Catastrophic Leave Bank.

Catastrophic illness means a medical condition certified by a physician which requires an employee's absence from duty for a prolonged period of time and which results in a substantial loss of income. Catastrophic leave may not be used for less than four (4) consecutive work days.

Enrollment into the bank will be conducted annually commencing with the beginning of the school year through November 1st of each year. New employees have the option to join within (90) days of their employment and are given three (3) months to donate the time. Requests may be made for a maximum of twenty (20) days per incident. Employees may apply for this type of leave a maximum of 2 times per year although it must not be for the same injury or illness. Any and all unused sick leave days granted to an employee shall be returned to the Catastrophic Leave Bank.

SEPARATION OF EMPLOYMENT

Forward the information request to the Human Resources Department.

When verification of employment inquiries are received by NMSBVI, Human Resources first review whether there are any specific limitations imposed on the school for release of personnel information related to the subject (such as litigation settlements). If no such limitations exist, Human Resources is authorized to release the following information:

- Position held
- Employment dates
- Status of employment (full-time, part-time, substitute)

Return of NMSBVI School Property

Any property NMSBVI issues to you, such as keys, uniforms, computer equipment, Braille writers, vehicles, etc., must be returned at the time of termination.
