NMSBVI School Song

There's a school in Alamo
That we think is great!
'Tis in fair New Mexico,
Called our sunshine state.

All our hearts beat loyally; everyone is true.
To our dear old Alma Mater, love it?
Course we do!

Then cheer, then cheer, of NMSBVI are we;

With pride each son and daughter hails our glorious Alma Mater!

Then cheer, then cheer of NMSBVI are we;

With a BOOM! BANG! RIP! ROAR!

Here we come, here we go; we're the greatest school in New Mexico
We're bound to win the victory,
Good old NMSBVI for thee.

Years may come, and years may go, Yet our school will stand!
Richest blessings to be stow on each student band, Brightest fondest
Memories will be ours for aye. And we'll strive in word and deed to laud
Our school always.

Then cheer, then cheer, of NMSBVI are we;

With pride each son and daughter hails our glorious Alma Mater!

Then cheer, then cheer of NMSBVI are we;

With a BOOM! BANG! RIP! ROAR!

Here we come, here we go; we're the greatest school in New Mexico
We're bound to win the victory,
Good old NMSBVI for thee.

New Mexico School for the Blind and Visually Impaired

Serving the Youth of New Mexico and Their Families since 1903:

The New Mexico School for the Blind and Visually Impaired was founded in 1903 as a land grant school governed by a Board of Regents. Three years later, the school opened its doors in Alamogordo, New Mexico with 21 students, two teachers and a superintendent. It is a specialized school which provides residential, academic, support, and outreach services to the students who are blind and visually impaired in New Mexico. Today, the residential campus is still located on the original site in Alamogordo with a second campus in Albuquerque, New Mexico that houses an Early Childhood Program and as well as the School's statewide services.

Mission Statement:

NMSBVI, an innovative leader and unifying entity in the field of educating students birth-high school who are blind or visually impaired, will identify and ensure quality education through collaborative relationships with students, families, and local/state/national partners to provide outstanding advocacy, training, resources, and support services, thus ensuring that all students who are blind or visually impaired will become independent, productive members of their communities.

Goals:

We will foster an atmosphere of creativity that results in innovative practices and programs.

We will create a training system that results in sufficient numbers of specialized staff in the field of blindness and visual impairment for the State of New Mexico.

We will create a system to convey and receive information about blindness and visual impairment educational services, trends, research, etc. to all those involved or interested in serving students who are blind or visually impaired.

We will build a system of data-driven decision making that will be used collaboratively to determine goals, services and settings for educating New Mexico students with blindness or visual impairments.

We will develop a system that supports the successful transition of students with blindness or visual impairment and their programming across settings.

We will acquire community support and the resources essential to advance the success of each student with blindness or visual impairment.

Now that you have reviewed our mission and goals.....think about how you are incorporating them into the job you do each day.....

INTRODUCTION

This Staff Handbook provides a summary of employee benefits and guidelines with respect to your employment. It does not cover all aspects of your employment with NMSBVI. You are responsible for reading and understanding this Staff Handbook. If anything is unclear or if you have any questions, please discuss them with your supervisor.

Departments may establish additional guidelines and procedures appropriate to their department. Please learn those guidelines and observe them at all times. They are established for your benefit, the department and our students. This Staff Handbook replaces any earlier NMSBVI Staff Handbook. In addition, this Handbook may be revised from time to time, as needed, without prior notice as business, employment, legislative and/or economic conditions dictate. Any such revisions apply to existing as well as future employees. Revisions will be noted in the Staff Handbook section located on the Human Resources Department page of the NMSBVI website, www.nmsbvi.k12.nm.us.

Only the Superintendent may alter or modify any of the provisions of this Staff Handbook. Any requests for alterations or revisions must be in writing and approved by the Superintendent. Statements or promises by an administrator, supervisor, manager or department head may not be interpreted as a change in policy and do not constitute an agreement with an employee.

In the event of a conflict between school or department policies and this Handbook, NMSBVI Board approved Policies and Procedures will govern. NMSBVI policies can be found on the NMSBVI's website at www.nmsbvi.k12.nm.us.

WORKPLACE PRACTICES

Customer and Community Relations

The success of NMSBVI depends upon the quality of the relationships between NMSBVI, our employees, student's and community. NM families' impressions of NMSBVI and their interest and willingness to send their children to our schools are greatly influenced by the people who serve them. You are an ambassador of NMSBVI. The more good will you promote, the more our families will respect and appreciate you, NMSBVI and the programs we offer to students.

Open Communication

NMSBVI encourages you to discuss any issue you may have with a co-worker directly with that person. If a resolution is not reached, please arrange a meeting with your supervisor to discuss any concern, problem or issue that arises during the course of your employment. Retaliation against any employee for the appropriate use of communication channels is unacceptable. Please remember it is counterproductive for employees to create or repeat rumors or gossip.

Title IX Notification, Sex Discrimination/Section 504, ADA (NMSBVI Policy 105)

In compliance with Title IX of the 1972 Education Amendments, NMSBVI hereby notifies all parents, students, patrons, and employees that NMSBVI will not discriminate on the basis of sex in the areas of education, activities, admissions, or employment practices.

Section 504 of the Rehabilitation Act of 1973, including future amendments, provides that:

"No otherwise qualified individual...shall solely by reason of his/her disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance."

Reasonable Accommodation of Individuals with Disabilities

NMSBVI makes reasonable accommodations to qualified employees with disabilities for the performance of essential job functions without undue hardship to the school. Accommodations are reviewed case by case in accordance with the Americans with Disabilities Act and any state or local laws that prohibit disability discrimination. Contact the Human Resources Department for questions or assistance.

Equal Employment Opportunity (NMSBVI Policy 200)

NMSBVI is an equal opportunity employer. In order to provide equal employment and advancement opportunities to all individuals, employment decisions at NMSBVI will be based on merit, qualifications, and abilities. NMSBVI does not discriminate in employment opportunities or practices on the basis of race, color, religion, sex, national origin, age, disability, or any other characteristic protected by law. Any employees with questions or concerns about any type of discrimination in the workplace are encouraged to bring these issues to the attention of their immediate supervisor. Employees can raise concerns and make reports without fear of reprisal. Anyone found to be engaging in any type of unlawful discrimination will be subject to disciplinary action, up to and including termination of employment.

Reduction in Force (NMSBVI Policy 266)

A reduction in force of school personnel may be initiated by the Board of Regents as a result of decreased enrollment, a decrease of educational programs, insufficient state or federal funds for the performance of contracts, or such other circumstances that the Board believes, in the best interest of NMSBVI, requires such reduction. If reduction in force (RIF) cannot be accomplished through normal attrition, such shall be accomplished according to the criteria stated in Policy 266.

Harassment and Discrimination (NMSBVI Policy 155)

In accordance with Section 703 of Title VII of the Civil Rights Act of 1964, and Title IX of the Education Amendments of 1972, NMSBVI prohibits sexual harassment activity by any of its employees, students or other persons representing the School. Not only is sexual harassment a violation of federal law, it is also a violation of state human rights statutes and may be considered a criminal offense under state and local assault and child abuse laws.

Any employee found to have engaged in sexual harassment shall be subject to disciplinary action, including, but not limited to, warning or reprimand, suspension, or termination, in accordance with NMSBVI Policy No. 260.

Any student found to have engaged in sexual harassment shall be subject to disciplinary action, including, but not limited to, warning or reprimand, suspension, or expulsion, in accordance with disciplinary guidelines as defined in the NMSBVI Student/Family Handbook.

Anti-Bullying (NMSBVI Policy 517.9)

The New Mexico School for the Blind & Visually Impaired (NMSBVI) is committed to protecting its students, employees, and applicants for admission from bullying, and harassment, for any reason and of any type. The Board of Regents believes that all students and employees are entitled to a safe, equitable, and harassment-free school experience. Bullying, and harassment will not be tolerated and shall be just cause for disciplinary action. Conduct that constitutes bullying or harassment as defined in NMSBVI Policy 517.9, is prohibited.

All school employees are required and must report, in writing, any allegations of bullying or violations of this policy to the Superintendent or designee.

Responsibility

All NMSBVI employees, and particularly those in leadership, have a responsibility for keeping our work environment free of harassment and discrimination. Any employee who becomes aware of an incident of harassment or discrimination, whether by witnessing the incident or being told of it, must report it to their immediate supervisor or the Human Resources Department. When the school becomes aware of the existence of harassment or discrimination, it is obligated by law to take prompt and appropriate action, whether or not the victim wants the school to do so.

NMSBVI prohibits any employee from retaliating in any way against anyone who has raised any concern about harassment or discrimination against another individual.

Political Activities (NMSBVI Policy 135)

NMSBVI employees are prohibited from soliciting or handling political contributions, distributing campaign literature, or soliciting political support for a party, faction, or candidate while on duty. NMSBVI recognizes the right of free speech and honest expression of opinion on any subject by any member of the school community, but those who speak or act will not do so in the name of the school unless specifically authorized. In order to maintain its autonomy and integrity, the school cannot be an instrument of partisan political action. Expression of political opinions and viewpoints will be those of the individual and not of the school.

All School employees, like other citizens, should feel free to engage in political activities so far as they are able to do so consistent with their full obligations to the School, and in accordance with applicable laws.

Drug Free Workplace (NMSBVI Policy 150)

It is NMSBVI's desire to provide a drug-free, healthy, and safe workplace. To promote this goal, employees are required to report to work in appropriate mental and physical condition to perform their jobs in a satisfactory manner.

While on NMSBVI premises and while conducting school or business-related activities off NMSBVI premises, no employee may use, possess, distribute, sell, or be under the influence of alcohol or illegal drugs. The legal use of

prescribed drugs is permitted on the job only if it does not impair an employee's ability to perform the essential functions of the job effectively and in a safe manner that does not endanger other individuals in the workplace. All safety-sensitive personnel are subject to random drug and alcohol testing in accordance with Policy 150. Violations of this policy may lead to disciplinary action, up to and including immediate termination of employment, and/or required participation in a substance abuse rehabilitation or treatment program. Such violations may also have legal consequences. Employees with questions or concerns about substance dependency or abuse are encouraged to discuss these matters with their supervisor or the appropriate department director to receive assistance or referrals to appropriate resources in the community. NMSBVI is committed to zero tolerance and adopts and fully supports the U.S. Department of Transportation (DOT) regulation regarding the use of recreational and/or medical marijuana.

Employees are required to notify their supervisor within five (5) days if they are convicted of a criminal controlled-drug statute violation. Failure by an employee to report such a conviction may be grounds for disciplinary action. Supervisors who become aware of a conviction of an employee for a criminal controlled-drug statute violation occurring in the workplace should immediately notify the Human Resources Department. Violation of this policy will result in disciplinary action, up to and including discharge, and referral to law enforcement. NMSBVI reserves the right to search and inspect for the maintenance of a safe drug-free workplace.

Unlawful Carrying of a Deadly Weapon on School Premises (NMSBVI Policy 151)

NMSBVI prohibits all persons from being in possession of any prohibited weapon, dangerous weapon or deadly weapon as defined below on school premises, including in the school employee's work place and during school programs, in any school facility or on any property under the control of and governed by the Board of Regents of the New Mexico School for the Blind and Visually Impaired, and at any site where school events, activities, business or work is performed by individuals on behalf of New Mexico School for the Blind and Visually Impaired, or in any school facility or on any property that is used by and for NMSBVI students for school events, activities, or programs. The above prohibitions shall also include school owned vehicles, or other approved vehicles used to transport students and/or employees to and from school, or school activities, or any other site where students or staff are under the supervision of the school during school-sponsored or school approved events, activities, events, programs or functions.

Smoking (NMSBVI Policy 145)

NMSBVI prohibits the use of all tobacco products including cigarettes, e-cigarettes, cigars, pipes, snuff, and chewing tobacco, by students, staff, parents, guardians and visitors, in school buildings, on school grounds, in school vehicles, or during school functions away from school property.

Personal Visitors (NMSBVI Policy 130)

Personal visitors, except on school business, are discouraged during duty time. It is the immediate supervisor's responsibility to ensure that no disruption of duties is taking place. Employees shall ensure that appropriate child care arrangements are made for periods of duty. Employees will not bring their children to their duty location.

Information Systems Resources (NMSBVI Policy 645)

New Mexico School for the Blind & Visually Impaired (NMSBVI) has established and maintains a variety of information systems resources intended to promote access to knowledge and sharing of information. The proper use of the systems, resources and services by NMSBVI employees, students, independent contractors, volunteers, guests, and other users will be ensured through monitoring for potential abuse. Users have the responsibility to use the resources in an efficient, effective, ethical and lawful manner for the pursuit of learning and for the conduct of official NMSBVI activities or business. Any other use of information systems resources must be approved by a department director.

Information system resources include, but are not limited to the following: host computers, file servers, workstations, stand-alone computers, laptops, software, printers and internal or external communications networks (i.e. Internet) commercial online services, and electronic mail systems that are accessed directly or indirectly from NMSBVI computer

facilities. This also includes telephones, voice-mail, FAX machines, photocopiers, Braille embossers, printed materials, video and audio recording devices or any other information storage or retrieval system.

Any and all aspects of the information systems resources, including employee mail systems can be monitored to ensure compliance with this policy. Computer accounts given to users are to assist them in the performance of their jobs. *Users should not have an expectation of privacy in anything they create, send or receive with the information systems resources equipment.*

Employees should notify their immediate supervisor, the Information Systems office, or any member of the leadership team upon learning of violations of this policy. Employees who violate this policy will be subject to disciplinary action, up to and including termination of employment.

Use of Social Media (NMSBVI Policy 502)

This includes photos of personnel, students and their families. It also includes information that is derogatory about coworkers, students or their families.

Employees are expected to adhere to all federal and state requirements regarding FERPA and HIPAA; as well as, all applicable NMSBVI privacy and confidentiality policies. Employees who share confidential information will be disciplined up to and including dismissal from employment. Because the systems can blur the line between “personal voice” and “professional voice”, NMSBVI Policy 502 will help to clarify the potential consequences of social media use as it relates to the workplace and to provide guidelines as to how employees of NMSBVI can protect their and the school’s professional reputation.

Personal Use of NMSBVI Resources (NMSBVI Policy 647)

All resources are entrusted to the school by the public, government entities, and private donors. NMSBVI expects all employees to utilize the school’s resources using the highest ethical principles. Employees are expected to avoid any action that may be viewed as a violation of the public trust in the use of these resources and to act responsibly so that others are not deprived of access to these same resources as they perform their duties. These resources include, but are not limited to an employee’s time as well as the school’s facilities, supplies and equipment.

The purpose of these rules is not to restrict your rights, but rather to be certain that you understand what conduct is expected and necessary.

Schools Right to Manage, Discipline and Discharge (NMSBVI Policy 260)

The School shall retain the right, in accordance with applicable Federal and State Laws and Board policies to determine the mission of the school; to set standards; to exercise control and discretion over the School organization and its operations; to direct employees of the School; to hire, promote, transfer, assign, and retain employees in positions within the School, and to suspend, demote, discharge, or take other disciplinary action against employees for proper cause; to relieve employees from duties because of lack of work or for other lawful reasons; to maintain the efficiency of the operations entrusted to the administration; to determine the methods, means, and personnel by which such School operations are to be conducted; and to take whatever actions may be necessary to carry out the functions and mission of the School and maintain uninterrupted services to its students and faculty in situations of emergency.

Employee Standards of Conduct (NMSBVI Policy 115)

NMSBVI employees serve as positive role models for students and set good examples in conduct, manners, dress and grooming. NMSBVI expects each employee to maintain the highest standards of conduct and act in a mature and responsible manner at all times. During working hours, employees are expected to devote all energies to the service of NMSBVI, and not to personal affairs. They are required to fully and professionally perform their job function. Employees must not engage in activities which violate federal, state or local laws or which, in any way, diminish the integrity, efficiency or discipline of the school.

Staff Conduct with Students (NMSBVI Policy 125)

NMSBVI employees are expected to maintain a professional relationship with students and parents at all times. Employees are required to adhere to all FERPA and HIPAA regulations. Employees are encouraged to actively participate in learning and recreational activities with students. However, all employees are discouraged from showing favoritism to individual students or groups of students. Employees will not allow students into personal residences, accompany students to an activity, make presentations of gifts, clothing, or cash, or transport students in private vehicles unless authorized specifically by the Superintendent or designee. This does not preclude taking a family to the eye doctor, appropriate individual counseling, tutoring, etc. that are related to an employee's job description and responsibilities. Use of good judgment and avoidance of actions that might place the employee in precarious situations is strongly encouraged.

Conflict of Interest (NMSBVI Policy 115)

Employees of NMSBVI shall maintain the highest standards of business ethics in transactions with the school, the state, federal, and local governments and the public. Employees will maintain an attitude of courtesy and service to students, parents, fellow employees and the public. All employees are expected to devote their full working day to school business and to perform their assignments in a manner that reflects sound judgment, appropriate restraint and a sincere interest in the school's mission during the work day. Employees will give precedence to job responsibilities over personal interests. Employees will not participate in any official act affecting business in which the employee has an official interest or is acquiring a financial interest in said business. Employees with interests in a business that does or is likely to do business with NMSBVI will disclose the nature of the interest to the superintendent in writing.

Employees should place the responsibilities and obligations of NMSBVI employment first. Employees may engage in outside work during off-duty time if there is no conflict of interest; there is no interference with the work of NMSBVI, and the outside employment does not interfere with the employee's job efficiency, quality and effectiveness; and there is no use of school facilities, equipment, supplies or staff support. Employees who may have employment, or contract work, outside of NMSBVI will be required to update annually the Notice of Disclosure Form.

Personal Relationships in the Workplace (NMSBVI Policy 230)

Relatives of current employees may not occupy a position that will be working directly for or supervising their relative. Individuals involved in a dating relationship with a current employee may also not occupy a position that will be working directly for or supervising the employee with whom they are involved in a dating relationship. NMSBVI also reserves the right to take prompt action if an actual or potential conflict of interest arises involving relatives or individuals involved in a dating relationship who occupy positions at any level (higher or lower) in the same line of authority that may affect the review of employment decisions.

If a relative relationship or dating relationship is established after employment between employees who are in a reporting situation described above, it is the responsibility and obligation of the supervisor involved in the relationship to disclose the existence of the relationship to management.

Employees in a close personal relationship should refrain from public workplace displays of affection or excessive personal conversation.

Progressive Discipline Process

Managers may use a number of tools to correct and/or discipline employees, including, but not limited to warnings, reprimands, administrative leave with or without pay, and discharge, as determined to be appropriate in each individual circumstance. Progressive discipline may be used to correct employee behavioral or performance problems.

However, there may be situations where the severity or seriousness of the offense justifies the omission of one or more of the steps in this process. Likewise, there may be situations where a disciplinary step is repeated.

Administrative Leave Pending Possible Disciplinary Action

If you are suspected of violating the school's policies, procedures, or work rules, you may be placed on administrative leave, with or without pay, pending an investigation of the situation.

Grievance Procedures (NMSBVI Policy 215)

In spite of NMSBVI's desire to treat all employees fairly and equally, misunderstandings may occur on the job that sometimes results in a complaint.

If the complaint arises out of working conditions beyond the employee's control and cannot be resolved by informally discussing it with the employee's supervisor, a grievance procedure has been instituted to assist the employee in resolving his/her grievance at the lowest possible level.

The purpose of this policy is to establish an orderly process for resolving any employee/work related issues that cannot be resolved in an informal manner. After following the New Mexico School for the Blind & Visually Impaired (NMSBVI) grievance policy, if satisfactory resolution is not achieved, employees may file a complaint with the NM Department of Labor, Human Rights Division, or the U.S. Department of Education, Office of Civil Rights. Contact information is available in the Human Resources office.

Definitions:

A grievance is an allegation by an employee that the treatment received from a supervisor, administrator or another employee is unfair or improper or that there has been a violation, a misinterpretation or an inequitable application of board policy, administrative rules, or procedures which directly affect the grievant. The following

situations are not covered by this grievance procedure and are therefore not grievable under this policy.

- the discretionary act(s) of professional judgment relating to the evaluation of the work performance of any employee by his or her immediate supervisor;
- any personnel decision made by the Superintendent or Board, including, but not limited to, a refusal to re-employ, a discharge, a demotion, or any other action directly and adversely affecting the employment of an employee;
- situations in which the Superintendent and Board are without authority to act;
- situations in which the remedy for the alleged violation exclusively resides in some person, agency or authority other than the Superintendent or Board;
- situations that pertain to a different procedure, remedy, law or Board policy;
- former employees cannot file grievances after the effective date of resignation, termination or discharge from employment.

Mediation:

It is the policy of the New Mexico School for the Blind and Visually Impaired that mediation is an effective way to resolve disputes. A trained mediator can facilitate communication between disputing parties which can lead to greater understanding and mutual agreement. Beyond resolving disputes, the mediation process can preserve and even enhance valuable working relationships.

Although either party in a dispute can request the services of a mediator, a mediator will only be employed if both parties agree to participate.

Jurisdiction:

- a. All NMSBVI employees have the right to utilize the internal grievance procedure.
- b. Grievances must be initiated within twenty (20) working days of the initial act or omission giving rise to the complaint or concern, or within twenty (20) days of the employee's knowledge of that act or omission.
- c. Complaints will be kept as confidential as practical.

Procedures:

a. Level One

Informal Procedures - Employees with a complaint should promptly discuss the matter with their immediate supervisor when appropriate. Normally, this discussion should be held within three to five (3-5) work days of the incident, or in a timely manner, and in no event outside of twenty (20) work days. Discussions held in a timely manner will enhance NMSBVI's ability to resolve concerns promptly.

b. Level Two

Administrative Review - If the solution offered is not satisfactory, or if it is inappropriate to go to the supervisor, employees are encouraged to immediately take the problem to the Director of Human Resources. If this is the first level of grievance, the twenty (20) work day rule applies. The Director of Human Resources may require the employee to formally present the grievance in writing. The Director of Human Resources will provide a decision within five (5) work days.

c. Level Three

Appeal - If the grievant is not satisfied with the resolution of the grievance at Level Two, the grievance may proceed to the Superintendent (or designee). The grievance must be submitted to the Superintendent within five (5) work days after receipt of the Level Two resolution. Within five (5) work days of receipt of the written grievance the Superintendent (or designee) shall respond with a written decision on the grievance.

d. Level Four

Discretionary Review by Board of Regents

1. The Board has discretion whether to grant Level Four review. Within five (5) work days after the grievant receives written notification of the Superintendent's (or designee's) ruling on the grievance, the grievant may appeal in writing for a hearing before the Board of Regents. The written petition for a hearing shall be presented to the Superintendent (or designee). The Board

will, within the next five (5) work days, decide whether or not to hear the appeal. If the Board opts not to hear the appeal, the decision by the Superintendent (or designee) in Level Three is the final decision within the school. If the Board agrees to review the decision, the Superintendent shall establish a time for the hearing before the Board of Regents within the next regularly scheduled Board meeting, and shall give the grievant five (5) work day's written notice of the time and location of the hearing.

2. In the event the next Board meeting is scheduled within five (5) work days, not allowing a full five (5) work days notice, the Superintendent (or designee) will consult with the interested parties and determine if the hearing will be held at this Board meeting (within five (5) work days) or at the next regularly scheduled meeting of the Board. In the event, the next regularly scheduled meeting is outside (30) work days, the Board of Regents has the option of scheduling a special meeting to hear the grievance prior to the next regularly scheduled meeting, provided that the five (5) work day notice to the grievant and party-in-interest is allowed. Whenever possible, the hearing will be held within thirty (30) work days of the board's decision to hear the appeal.
3. The Board of Regents may review all decisions made through the appeal process at all levels previous to Level Four. The Board may affirm, reverse or modify decisions made at previous levels, hold such hearing or dispose of the grievance as it deems appropriate for a final disposition of the matter.
4. Final disposition of the grievance shall be communicated to the interested parties, in writing, by the Board of Regents through the Superintendent (or designee), within five (5) work days following the decision. The decision of the Board of Regents is the final recourse within the School.

All employees within NMSBVI are afforded the right to utilize the school's internal grievance procedure. Grievances must be current and must be pursued within twenty (20) working days of the initial alleged wrongdoing or knowledge thereof. All materials and conversations submitted by an incumbent in the grievance process shall remain confidential and shall not be disclosed except by written permission of the grievant. Records will be kept a minimum of three years. Title IX, Section 504 of the Rehabilitation Act of 1973 and other laws relating to employee discrimination will be covered by this grievance procedure.

All applicants for employment with NMSBVI as well as substitutes, temporaries, and others who will work on the schools' campuses must provide work history, education history, and references. Each applicant will be subject to a criminal background investigation in accordance with NMSA 22-10A-5, including mandatory fingerprinting, at the candidate's expense, as a condition of further consideration for employment. The applicant must pay for the background investigation at the time of hire by cashier's check, money order or by authorizing payroll deduction of prepayment.

Criminal background checks shall be required of volunteers, interns, contractors, subcontractors who will work on the schools' campuses. The criminal background check will be in accordance with NMSA 22-10A-5, and/or from a local Department of Public Safety.

All offers of employment are contingent upon the satisfactory completion of background investigations and reference checks. Criminal convictions of 10 years or greater shall not automatically bar an applicant from obtaining employment with NMSBVI, but pursuant to the Criminal Offender Act, NMSA § 28-2-4 and § 28-2-5 (1978) (as amended or recodified in the future), findings may become the basis for refusing employment. The Superintendent or designee may waive the 10 year minimum requirement depending upon the type or severity of infraction, length of time since the infraction; whether or not a pattern of infractions is present and whether

the candidate is in complete compliance of the court.

Immigration Law Compliance (NMSBVI Policy 225)

All offers of employment are contingent upon verification of your right to work in the United States. You will be asked to provide original documents verifying your right to work and, as required by federal law, to sign Federal Form I-9, Employment Eligibility Verification Form. If you cannot verify your right to work in the United States at any time, NMSBVI may terminate your employment.

Certificate of Tuberculosis Examination (NMSBVI Policy 220)

The New Mexico School for the Blind and Visually Impaired requires that all newly hired employees be tested for tuberculosis in a transmissible form prior to beginning employment. The fee for this testing is the responsibility of the employee.

Licenses/Certificates (NMSBVI Policy 240)

All employees teaching, supervising an instructional program, or providing instructional support services shall hold a valid New Mexico license or certificate. A complete application for licensure or certification will be required upon hire or prior to working with students, whenever possible. NMSBVI reserves the right to move the employee to a non-student related position, or limit the employee from performing any work until he/she provides a valid license or certificate. To assist employees, NMSBVI may deduct these expenses from the employee's pay check upon employee's request and approval.

All official transcripts, licenses, certifications, or credit hours to advance must be submitted to Human Resources no later than September 1. Salary increases for achievements, certificates, and licenses, or additional credit hours received after September 1 of any year, will be adjusted in the next fiscal year.

College Transcripts

Where an employee's pay or position is based on educational achievement, an official transcript of that employee's education credits must be on file in the Human Resources office. If an employee earns the necessary number of hours to advance on the salary schedule, an official transcript verifying this fact must be on file prior to September 1 of the respective year in order to receive the increment on the current contract. The employee is responsible for obtaining the official transcript, and the credits must be directly relevant to the employee's professional field.

Braille Protocol (NMSBVI Policy 241)

All staff directly involved with students are required to achieve a level of Braille proficiency. All other employees of NMSBVI are required to achieve skills at a Braille awareness level. Once staff have completed the Braille Proficiency course they are required to pass a proficiency assessment at either Level I or Level II depending on their job classification. NMSBVI's commitment to Braille literacy includes yearly assessment of the staff's Braille proficiency skills. Education Assistants are allotted one hour per week for Braille instruction during working hours. Home work is to be completed on employee's own time. Grave yard residential life staff are exempted from braille proficiency requirements beyond braille awareness. All other employees of NMSBVI are required to attend a Braille awareness course.

NMSBVI has established a personnel preparation program designed to prepare educators to become Teachers of the Visually Impaired and Orientation and Mobility Instructors. As a condition of employment all certified teaching staff are required to become Teachers of the Visually Impaired or Orientation and Mobility Instructors within two years of becoming employed. Teaching staff seeking a scholarship must commit to teach New Mexico's students who are blind/visually impaired for three (3) years following completion of their coursework. Applicants who do not fulfill their teaching obligation within the state of New Mexico following the completion of coursework will be required to repay the total cost or percentage applicable to NMSBVI.

Use of School Vehicles / Personal Vehicles (NMSBVI Policy 615)

All staff driving NMSBVI vehicles shall have a valid New Mexico driver's license. A defensive driving class is required for all employees who use NMSBVI vehicles. NMSBVI employees who operate or may potentially operate a vehicle owned by NMSBVI, regardless of position or job description, must provide authorization to NMSBVI Human Resources Department to obtain information from the New Mexico Motor Vehicle driver or vehicle databases governed by the DPPA and NMSA 1978, Sec. 66-2-7.1 state driver history for violation information, Motor Vehicle information and/or violation monitoring of driver records through the duration of employment.

Citation and moving violation history will be reviewed by the Director of Human Resources and/or Superintendent to determine if there is a risk to NMSBVI property, staff or students by the individual operating NMSBVI vehicles. Depending on the severity and/or repetitiveness of infractions demonstrated on the record, NMSBVI will take all actions it deems reasonably necessary to protect the health/safety of staff and the property of NMSBVI. NMSBVI reserves the right to suspend or revoke employee driving privileges and/or to discipline employees, up to and including discharge, for infractions that, in the sound discretion of the superintendent, bear on the employee's fitness to transport students or staff.

All school vehicles shall be driven at a speed not to exceed posted speed limits on state, U.S. highways, interstates, roads, and within city or village limits. Individuals who are convicted of traffic violations; are observed by school officials operating a school vehicle in violation of the law; or who are detected by current technology (i.e. GPS), operating a vehicle in excess of posted speed limits while in the performance of their duties will be subject to all fines and fees as a result of a conviction, and such conviction or violation detection may result in disciplinary action: up to and including discharge.

Operators of school vehicles shall avoid talking on cell phones while the vehicle is in motion. If a conversation on a cell phone cannot be avoided the cell phone should be equipped with a hands-free device. The operation of a non-hands-free cell phone, by a vehicle operator while the vehicle is moving, within the limits of any city, village, or town where law restricts such use, is strictly prohibited.

The use of a cell phone or other electronic device for text messaging while operating a school vehicle is strictly prohibited.

The use of tobacco products is strictly prohibited in all school vehicles.

On the residential campus, transportation needs for activities should be noted on activity requests so that a vehicle can be reserved. Albuquerque ECP staff follow the protocol of the department. If a car is needed for other approved school business, arrangements can be made on an "as available" basis through the administration switchboard.

Residential Campus: Keys to the vehicles can be checked out and returned to the administration switchboard at the San Andres Building between 8:00 a.m. and 5:00 p.m. After 5:00 p.m. the keys to vehicles are to be placed in the lock box that is located at the Linda Lyle Building.

EMPLOYMENT CLASSIFICATION

(NMSBVI Policy 202)

Non-Exempt and Exempt Employees

Employees in certain types of jobs are entitled to overtime pay for hours worked in excess of forty (40) hours per workweek. These employees are referred to as "non-exempt" in this Employee Handbook. This means that they are not exempt from (and therefore should receive) overtime pay. Exempt employees include teachers, administrators, principals, professional staff, directors and others whose duties and responsibilities exempt them from statutory overtime pay provisions. Exempt status means that they do not qualify for overtime compensation.

Regular Full-time Employees

An employee who is regularly scheduled to work at least 40 hours per week is considered a regular full-time employee. Education Assistant's working at least 35 hrs per week at the Early Childhood Program are also considered full-time. Regular full-time employees are eligible for legally mandated benefits as well as NMSBVI's benefit package. Benefits will be pro-rated according to the employees full-time regularly scheduled hours if less than 40 hours.

Regular Part-Time Employees

An employee who is regularly scheduled to work 20 or more hours, but less than 40 hours per week is considered a regular part-time employee. Regular part-time employees are eligible for legally mandated benefits as well as NMSBVI's benefit package. Regular part-time employees do not accrue leave.

Temporary Full-time or Part-time Employees

NMSBVI hires employees for specific periods of time, who are hired as interim replacements, supplement the workforce, or for the completion of a specific project. The job assignment, work schedule and duration of the position will be determined on an individual basis. Normally, a temporary position is of a limited duration and will not exceed nine (9) months, unless specifically extended by a written agreement. Temporary full-time or part-time employees are eligible for legally mandated benefits, but are not eligible for NMSBVI's benefit package.

If the position for which you have been hired will exist for a pre-designated period of time, such as a federal grant period, you will receive a temporary assignment. You will be informed of the nature and duration of the appointment.

Limited-term Employees

NMSBVI hires employees on an emergency basis for a period of up to, but not to exceed one year. An

emergency position/hire is created to address an immediate problem or critical situation within a department. Limited-term employees are eligible for legally mandated benefits as well as NMSBVI's benefit package.

A temporary/limited term employee does not become a regular full-time employee by virtue of being employed longer than the agreed upon specified period.

Substitute Employees

Employees hired in this category are assigned to work on an intermittent and/or unpredictable on call as needed basis. Substitutes are eligible for legally mandated benefits, but not eligible for NMSBVI's benefit package.

Summer Employment (NMSBVI Policy 207)

Short Term Temporary Summer Employment is considered outside of annual contracts, unless extended time has been approved. Summer employment includes summer camps, maintenance/paint crews, summer food services, transportation, recreation, health services and outside programs requiring NMSBVI staff. Pay schedule is based on approved summer pay rates.

Tenured Employees

Certified (licensed) and non-certified staff achieve tenure status following completion of three full consecutive years of service at NMSBVI. "Tenure" gives the employee reasonable expectations of continued employment from year to year, even though the employee may be under an annual contract. A tenured teacher, for example, has reasonable expectation that his or her contract will be renewed for the following school year. Tenure also provides the employee with certain rights regarding dismissal.

Tenured employees may be dismissed (or the contract not renewed) only for just cause ("just cause" means a reason that is rationally related to an employee's competence or turpitude or the proper performance of duties, and is not in violation of the employee's civil or constitutional rights). The tenured employee has the right to a statement of reasons for the dismissal (or non-renewal of contract). The tenured employee has the right to a hearing before the Board of Regents, and, if not satisfied with the Board's decision, may request independent arbitration.

Non-certified staff members who have not acquired tenure (i.e., have not been employed continuously for three years by NMSBVI) have the right to a statement of reasons for dismissal and to due process (a hearing) if dismissed during the period of their contract. At the end of a contract period for a non-certified staff member, if NMSBVI elects not to renew the contract it must provide a statement of reasons, but is not required to provide a hearing.

WORK SCHEDULE

Hours of Work (NMSBVI Policy 236)

The work day shall consist of specified hours of work with a paid or unpaid meal period. The schedule of hours for employees shall be determined by the Supervisor where assigned. The work day for employees may vary depending upon job classification and job assignment.

When it is necessary for an employee to be absent, the employee must notify the Supervisor or designee in advance of his or her absence and of the duration of the absence. In the event that no advance notice can be given, employees are required to notify the Supervisor **one hour prior** to the start of their shift.

Administrative offices must be covered by the appropriate staff between the hours of 8:00 a.m. to 5:00 p.m. Monday through Friday of any work day unless an abbreviated schedule has been authorized by the Superintendent or designee. The work day schedule for employees may be adjusted by the Supervisor or

Department Director to accommodate the work load as needed.

Breaks (NMSBVI Policy 236)

Employees have the option of taking two (2) paid rest periods not to exceed fifteen (15) minutes each for each work day if the work load permits and as approved by their Supervisor. This option allows for one rest period in the first half of the scheduled shift and one rest period in the second half of the shift, not to be combined so as to extend the fifteen (15) allowance. Employees are required to clock in and/or clock out for breaks.

Meals (NMSBVI Policy 315)

Employees assigned more than four (4) hours of daily work time shall have a minimum of thirty (30) minutes or a maximum of sixty (60) minutes unpaid meal period. The employee's meal period may be adjusted by the Supervisor as deemed necessary. Staff that are on duty and required to supervise students during meal periods will not be required to pay for their meals. ECP instructional staff are required to eat with students daily and do not clock out for meals. All other staff are required to clock in and/or out for meal periods. The fee to be charged for individual meals will be determined on an annual basis by the Superintendent. Food charges will be taken through payroll deduction.

Absences or Lateness

If you are unable to report to work, or if you will arrive late, contact your supervisor immediately. If you know in advance that you will be absent, you must request this time off directly from your supervisor using the Leave and Overtime Request form.

A consistent pattern of absences can be considered excessive. In addition, excessive lateness or leaving early may carry the same weight as an absence. Other factors, like the degree and reason for the absences or lateness, will be taken into consideration.

Unauthorized or excessive absences, lateness, or leaving early may lead to disciplinary action, up to and including discharge.

Severe Weather

The official school policy on extraordinary weather conditions requires that normal operations be continued as much as possible. Essential services (i.e. heating/plumbing, electrical, grounds, health services, residential, food services, transportation, and education) must be maintained in spite of severe weather.

In the event of severe weather school employees working in these areas should remain on duty or report to work to avoid interruption of essential services, unless directed or permitted to do otherwise by their supervisors. Employees must consult with their supervisor for each weather emergency to determine if they are deemed essential personnel in that instance as that designation may vary by circumstance.

Albuquerque ECP staff follow the Albuquerque Public School's severe weather schedule. Cancellation of school due to weather conditions may occur when there is a city-wide cancellation or when there is a weather cancellation for the entire public school districts ordered by Governor's office.

Except in the most severe cases, all employees are expected to report to work. Those employees who cannot get to work on time or at all are expected to contact their department supervisor to advise them of the situation within one (1) hour of the start of their regular workday. If phone lines are tied up, employees should keep trying to leave a voicemail message.

SAFETY

General Student & Employee Safety

NMSBVI is committed to the safety and health of all students and employees, and recognizes the need to comply with regulations governing injury and accident prevention and student and employee safety. Maintaining a safe environment requires the continuous cooperation and vigilance of all employees.

NMSBVI will maintain safety and health practices consistent with the needs of our school. It is the responsibility of all employees to be fully aware of all adopted school safety and health practices and to incorporate these practices into their daily routines. If any employee has questions or concerns regarding any safety issue, it is the employee's responsibility to ask their supervisor for guidance and assistance. Any suspected unsafe conditions, and all injuries that occur on the job, must be reported immediately. Compliance with the school's safety rules is considered a condition of employment. For reporting procedures and responsibilities refer to the policies listed below:

- NMSBVI Policy No. 600 Hazard Communication Program
- NMSBVI Policy No. 601 School Safety Committee
- NMSBVI Policy No. 610 Emergency/Disaster Policy

Workers' Compensation - Occupational Illness/Injury (NMSBVI Policy 455)

In accordance with the provisions of the Workers' Compensation Act, Chapter 52, NMSA 1978, all NMSBVI employees are covered for occupational injuries and illnesses accidentally sustained or death resulting therefrom. Employees are encouraged to utilize the Workers' Compensation program for any and all injuries/illnesses and in no way will be penalized or terminated for filing a claim.

All accidents, injuries, potential safety hazards, safety suggestions and health and safety related issues must be reported immediately to your supervisor. Refer to NMSBVI Policy No. 455 for reporting procedures and responsibilities. A Notice of Accident Form must always be completed in case medical treatment is later needed and to ensure that any safety hazards are corrected. The Employee's Claim for Workers' Compensation Benefits Form must be completed in all cases in which an injury requiring medical attention has occurred. If you or another employee is seriously injured, contact outside emergency response agencies immediately, if needed.

Federal law requires that we keep records of all illnesses and accidents that occur during the workday. The New Mexico State Workers' Compensation Act also requires that you report any workplace illness or injury, no matter how slight. If you fail to report an injury, you may jeopardize your right to collect workers' compensation payments as well as health benefits.

Stay at Work – Return to Work Program (NMSBVI Policy 456)

This program is to provide NMSBVI employees who are unable to perform their regular duties following a workplace injury with suitable, transitional employment. This may include modifying the worker's original position or providing an alternate position depending on the worker's physical abilities. This program is intended to promote speedy recoveries, while allowing employees to provide a service and continue to contribute to the productivity of our organization.

COMPENSATION

The goal of the NMSBVI compensation program is to attract qualified applicants and encourage well-performing employees to stay with our school. With this in mind, our compensation program is built to balance both employee and NMSBVI needs.

NMSBVI encourages employees to review the Human Resources section of the NMSBVI website at

www.nmsbvi.k12.nm.us for salary schedules.

Paychecks

Employees can access their “Pay Check Statement” using the iVisions “Web Portal” or “MyPortal” that can be accessed through our website. For more information contact Human Resources.

Paychecks are issued every two weeks or 26 times per year, for both 12-month and nine (9) month full-time employees. Your check is direct deposited into your bank account, if you believe that any amount you receive is in error, notify your supervisor immediately.

Direct Payroll Deposit

All employees are required to participate in direct deposit. Direct payroll deposit is the automatic deposit of your paycheck directly into a financial institution account. Contact the Payroll Department for details and the necessary authorization forms. You may elect your deposit to be split amongst up to 4 financial institutions or accounts.

Mandatory Deductions from Paycheck

NMSBVI is required by law to make certain deductions from your paycheck. Among these are your federal, state and local income taxes and your contribution to Social Security and Medicare, New Mexico Retirement and Retiree Healthcare. These deductions are itemized on your check stub. The amount of the deduction depends upon your earnings and the information you furnished on your W-4 form. Other mandatory deductions that may be made from your paycheck, such as court ordered garnishments, will be explained whenever NMSBVI is ordered to make such deductions.

Overpayment of Earnings

If you have been overpaid in your paycheck, you must contact Human Resources immediately or Human Resources may contact you. Any overpayment must be returned to NMSBVI in full upon request by Human Resources.

Overtime Pay (NMSBVI Policy 235)

If you are a non-exempt employee, you are eligible to receive overtime pay at one and one-half (1 1/2) times your regular hourly wage for hours worked over forty (40) hours in a standard work week (Work week to mean Saturday through Friday). Hours away from the job because of a job-related injury, holiday, jury duty, vacation, or sick leave are not counted as hours worked for the purpose of computing eligibility for overtime pay. All overtime in excess of one (1) hour must be approved in advance by your supervisor or department director using the Leave and Overtime Request form.

Accrued Leave (NMSBVI Policies 405, 425, 440)

All full-time employees are expected to be at work during the days/times required by contract, or in the absence of contract terms, during NMSBVI’s regular business hours, Monday through Friday, 8 am to 5 pm or during the employee’s regular work schedule. Employees who take partial days off for reasons for which leave may be used, must use available leave for whatever portion of the day that they are absent (e.g. an employee who leaves work two hours early for personal reasons will have two hours deducted from accrued leave). However, supervisors may approve alternate work week schedules, and they may also permit absence without deducted leave where an employee’s hours have already exceeded forty for the week. A Leave and Overtime Request form must be submitted for alternate work weeks, all partial day and/or full day absences.

Time Records

Recording of time worked is necessary for collection of costs and proper control. An electronic time-keeping system is utilized by staff on the Alamogordo and Albuquerque campuses. Outreach staff record time manually on an electronic time card.

It is the employee's responsibility to record time worked. No person other than the employee may record time on the electronic system or on the time card. All records should be reviewed by the employee daily to insure accuracy. If a discrepancy is identified, the immediate supervisor should be contacted for correction.

Time cards should be signed and submitted to the immediate supervisor at the end of each pay period. Time records will be verified by the supervisors and submitted to the Payroll department. Hourly employees will be paid only for the hours documented through the electronic or manual timekeeping systems.

PERFORMANCE REVIEWS

Performance Reviews

Supervisors and employees are strongly encouraged to discuss job performance and goals on an informal, day-to-day basis. Additional formal performance evaluations are conducted to provide both supervisors and employees the opportunity to discuss job tasks, identify and correct weaknesses, encourage and recognize strengths, and discuss positive, purposeful approaches for meeting goals.

Meetings with Supervisors are conducted prior to recommendations for reemployment in the spring of each year. (Licensed Personnel--April; Superintendent--May; Administration and Hourly--May). The evaluation process will promote personal and professional growth for all employees, as well as provide data, when necessary, for administrative decisions regarding personnel and programs.

BENEFITS

NMSBVI sponsors a comprehensive benefits program through Risk Management. NMSBVI also provides additional voluntary benefits for all eligible employees. NMSBVI periodically reviews its benefits program and may make modifications as appropriate. NMSBVI reserves the right to amend, add to or terminate these plans at any time. This right of amendment/termination shall apply equally to all participants.

Eligibility - Who is Eligible?

You and your eligible dependents are eligible for benefits if you are classified as a part-time or full-time employee. Dependent coverage is available only if the employee is enrolled for coverage. Costs for group health, dental, vision, and the administrative fee are shared by the school and employees who elect to enroll. Life is paid 100% by NMSBVI. Eligible dependents include:

- Your legally married spouse
- Your domestic partner (an affidavit and evidence of financial responsibility is required to enroll a domestic partner)
- Your single or married natural or adopted children under age 26 (a copy of court order is required)

Marriage and birth certificates or court ordered documents will be required to verify all dependents.

Who is not eligible?

You may not enroll ex-spouses, parents, aunts, uncles, brothers, sisters, nieces, and nephews. Unrelated children or grandchildren may be enrolled only if there is a court order in place showing an approved adoption or legal guardianship.

Enrollment must be complete within 31 calendar days from the date of hire. All new hire enrollment application forms and supporting documentation must be completed and received by Human Resources prior to the employees first pay period.

Newly-acquired dependents, including newborn children and spouses, must be enrolled within 31 calendar days of becoming eligible. Enrollment is not automatic for any newly acquired dependent.

2. When is coverage effective?

Completed applications must be received in Human Resources within 31 days from the eligibility date. Coverage is effective for new hires on the first of the month following the day you become employed. As an example – if your hire date is August 18th, your coverage would begin on September 1st. Applications received after the deadline will be considered late enrollees. You will also be considered a late enrollee in cases of other qualifying events such as:

- Employee's marriage
- Employee's divorce
- Birth or adoption of a child
- Death of spouse

4. What if I am covered under a spouse's plan?

An eligible employee who has coverage under a spouse's group insurance plan may waive NMSBVI coverage. If the spouse loses coverage involuntarily (e.g. laid off or carrier change), the NMSBVI employee may apply for NMSBVI coverage within 31 calendar days from the date coverage under spouse's plan ended. A letter of credible coverage from the spouse's employer on the employer's letterhead is required and must specify which persons were covered, under which specific plans they were covered and the date on which coverage ended. This letter and all required enrollment applications must be received in Human Resources within the 31 calendar day period. Coverage is effective the day following loss of coverage and the receipt of completed applications and supporting documentation.

Enrollment must be done within the 31-calendar day period for life event changes, such as, marriage, divorce, birth of a child or adoption of a child, death of a spouse of dependent or change in spouse's employment (terminated, loss of employment, laid off).

Disenrollment in Medical, Dental, and Vision Plans

Employees enrolled in the Premium Only Plan (POP) for medical, dental and vision coverage may **not** drop coverage at any time other than at Switch or Open Enrollment Periods unless a family status change has occurred and/or a qualifying event.

Employees not enrolled in the Premium Only Plan (POP) may disenroll at the end of any month. Dependent children's coverage ends on their 26th birthday.

Switch Enrollment

Each year, employees *ALREADY ENROLLED in medical coverage* may change their coverage(s) to one of the other plans offered. Participating employees may add eligible dependents during switch enrollment, with appropriate documentation.

Switch enrollment does not pertain to employees who have not already enrolled in a benefit plan.

Employees must register their switch enrollment elections at Human Resources during the specified annual period which is normally October through November. Changes made during switch enrollment are effective at the beginning of the calendar year on January 1. Eligible employees may also enroll/dis-enroll for POP participation during the switch enrollment period. Elections are effective the following July 1.

NMSBVI’s supplemental retirement plan specifically written for its employees is called the 457(b) plan. Employees pay no current taxes on amounts contributed until the employee begins receiving distributions. Date of distribution for the 457(b) plan it is upon termination of employment. State and Federal Mandated Benefits

Worker’s Compensation (NMSBVI Policy No. 455)

NMSBVI provides a comprehensive workers' compensation insurance program at a cost of \$2.00 per calendar quarter to employees. This program covers any injury or illness sustained in the course of employment that requires medical, surgical, or hospital treatment. Subject to applicable legal requirements, workers' compensation insurance provides benefits after a short waiting period or, if the employee is hospitalized, immediately.

Employees who sustain work-related injuries or illnesses should inform their supervisor immediately. No matter how minor an on-the-job injury may appear, it is important that it be reported immediately. An official Notice of Accident, Form NOA-1, must be completed and signed by both the employee and the immediate supervisor or other authorized agent of NMSBVI.

Neither NMSBVI nor the insurance carrier will be liable for the payment of workers' compensation benefits for injuries that occur during an employee's voluntary participation in any off-duty recreational, social, or athletic activity sponsored by NMSBVI.

- “Provisional Members” are all other persons regularly employed by the school who do not fall into the “Regular Members” category, (education assistants, transportation, maintenance, etc.) Only Provisional Members can exempt themselves from ERA and participate in the PERA.

A request for Personal Leave must be submitted at least one week prior to the planned Personal Leave date. No Personal Leave will be granted on a non-scheduled work day. The utilization of Personal Leave during the first and last months (August & May) of the school year should be avoided, unless there is a verifiable emergency situation. Personal leave shall not be approved during the first or last five (5) days of the academic year or on an in-service day.

In order to ensure that adequate staffing levels are maintained, immediate supervisors may place a cap on the number of staff that are granted Personal Leave, for any given period of time.

Professional Leave (NMSBVI Policy 430)

The New Mexico School for the Blind & Visually Impaired (NMSBVI) recognizes the need and value of professional development to the School. Professional Leave is leave granted with or without pay to attend professional conferences, seminars, workshops and other educational training programs which are usually of short duration. Refer to NMSBVI Policy 430 for eligibility.

Sick Leave (NMSBVI Policy 440)

Full-time employees who receive benefits earn sick leave on the basis of one day per month worked. Sick leave may be accumulated up to 720 hours. Part-time and substitute employees do not earn sick leave. It is understood that sick leave is for the benefit and convenience of the employee while employed by NMSBVI and accumulated sick leave benefits are cancelled upon the termination of employment. Sick leave may be taken in the case of illness in the immediate family. The employee's supervisor should be notified of illness within one (1) hours of the employee's work shift, preferably before the start of the shift or as practical if prior notification is not practical. When employees are absent for more than three (3) consecutive days due to illness or injury, he/she must submit to his/her supervisor a "Physician's Statement" certifying he/she was under the doctor's care during the period of absence and was unable to work.

An employee who has accumulated 600 hours of unused sick leave may be paid for additional unused sick leave over 600 at a rate equal to 50% of the employee's hourly wage multiplied by the number of hours of unused sick leave over 600, not to exceed 120 hours of such sick leave. Payment for this sick leave shall be made only on the payday immediately following the first full pay period in January and the first full pay period in July.

Retiring employees may be paid for additional unused sick leave over 600 hours not to exceed 120 hours at the rate of 50% of their hourly wage. All others may donate any unused sick leave hours to the Catastrophic Leave Bank.

Voting Leave

Voting leave will be granted to employees who are eligible voters and whose work day begins less than two (2) hours after the polls open and ends less than three (3) hours before the polls close. This leave will be granted for a maximum of two (2) hours with pay in order to vote in an election recognized under the law. Employees utilizing this benefit must vote in the election for which they are granted leave. Supervisors will schedule voting leave to ensure department work is covered.

Family Medical Leave (NMSBVI Policy 415)

Family and Medical Leave will be granted to employees who have worked for NMSBVI for at least twelve (12) months or who have worked at least 1250 hours in the previous 12 months. This leave is with or without pay and may be taken for up to 12 work weeks from the first date the leave is taken. Leave may be granted for the following reasons:

- for incapacity due to pregnancy, prenatal medical care or childbirth;
- to care for the employee's child after birth, or placement for adoption or foster care;
- to care for the employee's spouse, son or daughter, or parent who has a serious health condition;
- for a serious health condition that makes the employee unable to perform any one of the essential functions of his or her position or requires the employee to take a necessary absence from work to receive medically necessary treatment;
- because of a qualifying exigency arising out of the fact that the employee's spouse, son or daughter, or parent is a covered military member on active duty or call to active duty status in support of a contingency operation;
- to care for a covered service member who is the employee's spouse, son or daughter, parent, or next of kin.

In the event of a serious health condition of the employee or his/her child, spouse, or parent, creating a need for unforeseen family or medical leave, the employee must provide notice, as soon as practicable. If the employee will be absent for five (5) consecutive days or more, a Leave of Absence Request Form must be completed. A written physician's certificate is also required. The certificate must include the date on which the health condition occurred, the probable duration of the condition, an estimate of the amount of time you need to be off work to care for the family member or for your own health condition, and confirmation that the nature of the condition warrants you to be away from work to care for yourself or your dependent.

Employees shall be required to give thirty (30) days advance notice in the event of a foreseeable medical treatment. To assist us in arranging work assignments during your absence, we ask that you give us prior notice, to the extent possible, of an expected birth or adoption, as well as an indication, to the extent known, of your expected return date. To facilitate your return to work, we also ask that you provide us with advance notification of your intended return date. Failure to do so may delay your return date.

Benefits that accumulate on an accrual basis (vacation, sick and personal days) will cease to accrue during the leave period. Employees must use all accrued sick leave, unused vacation and personal days during the leave period. Once such benefits are exhausted, the balance of the leave will be without pay.

Group insurance benefits (medical, dental, vision, life and disability) will continue during the leave provided the employee continues to make required contributions to these plans. Failure to make such contributions will result in the termination of these benefits. If an employee fails to return to work after Family Medical Leave, the employee will be held liable for the amount of health insurance premiums paid by NMSBVI during the employee's unpaid leave. Other benefits, such as retirement and 457b plans, will be governed in accordance with the terms of each plan.

In the case of an employee's own serious health condition, before the employee will be permitted to return from medical leave, he or she will be required to present NMSBVI with a written physician's statement indicating that the employee can return to work and perform the essential functions of his/her position. In addition, the employee must submit the Return to Work Certificate which the treating physician completes.

Vacation Leave (NMSBVI Policy 405)

Vacation time off with pay is available to eligible employees to provide opportunities for rest, relaxation, and personal pursuits.

Full-time 12 month employees are entitled to one vacation day per month worked. After being employed for seven consecutive years, the employee is entitled to one and one-half vacation days per month worked.

Nine-month employees do not "earn" vacation time; they are granted "personal leave" as discussed elsewhere in this book.

The length of eligible service is calculated on the basis of a "benefit year." This is the 12-month period that begins when the employee starts to earn vacation time. An employee's benefit year may be extended for any significant leave of absence except military leave of absence. Military leave has no effect on this calculation.

Military Leave of Absence (NMSBVI Policy 420)

Employees who perform duty, voluntarily or involuntarily, in the "uniformed services," which include the Army, Navy, Marine Corps, Air Force, Coast Guard, as well as the reserve components of each of these services, Army National Guard, Air Force National Guard, Commissioned Corps of the Public Health Service, and any other category of persons designated by the President in time or war or emergency, will be eligible for re-employment after completing duty, provided:

- a. They provide written or verbal notice of their orders to their supervisor/Human Resources as soon as received (unless precluded by military necessity or otherwise impossible/unreasonable);
- b. They satisfactorily complete duty of five (5) years or less;
- c. They begin duty directly from employment with NMSBVI; and
- d. They apply for and are available for re-employment as follows:
 - 1) Less than 31 days service: By the beginning of the first regularly scheduled work period after the end of the calendar day of duty, plus time required to return home safely and an eight hour rest period. If this is impossible or unreasonable, then as soon as possible.
 - 2) 31 to 180 days: No later than 14 days after completion of duty. If this is impossible or unreasonable through no fault of the employee, then as soon as possible.
 - 3) 181 days or more: No later than 90 days after completion of duty.
 - 4) Service-connected injury/illness: Reporting or application deadlines are extended or up to two (2) years for persons who are hospitalized or recovering.

Performing duty, voluntarily or involuntarily, includes:

Active duty, active duty for training, and initial active duty for training; Inactive duty training; Full- time National Guard duty; Absence from work for an examination to determine a person’s fitness for any of the above types of duty; Funeral honors duty performed by National Guard or reserve members; and Duty performed by intermittent disaster response personnel for the Public Health Service, and approved training to prepare for such service.

Employees who serve in “uniformed services” will be paid for up to 15 days per fiscal year, for active duty, active duty training, and inactive duty training. Employees may apply accrued personal days and unused earned vacation time to the leave if they wish; however, they are not obliged to do so.

Employees on military leave shall be granted any improvement in salary or other terms and conditions of employment which would have accrued to them had they remained in active service with the school, provided such employees seek reinstatement with the school within thirty (30) days following discharge from the military service.

Catastrophic Leave Bank Program (NMSBVI Policy 460)

Employees who earn sick leave from the school and have suffered a catastrophic illness or injury (excluding normal pregnancy) or member of the employee's immediate family that requires hospitalization or home confinement may be eligible to use the Catastrophic Leave Bank.

Catastrophic illness means a medical condition certified by a physician which requires an employee’s absence from duty for a prolonged period of time and which results in a substantial loss of income. Catastrophic leave may not be used for less than four (4) consecutive work days.

Enrollment into the bank will be conducted annually commencing with the beginning of the school year through November 1st of each year. New employees have the option to join within (90) days of their employment and are given three (3) months to donate the time. Requests may be made for a maximum of twenty (20) days per incident. Employees may apply for this type of leave a maximum of 2 times per year although it must not be for the same injury or illness. Any and all unused sick leave days granted to an employee shall be returned to the Catastrophic Leave Bank.

In the event another NMSBVI employee is terminated either voluntarily or involuntarily, you must not, as a current NMSBVI employee, under any circumstances, respond to any requests for information regarding another employee unless it is part of your assigned job responsibilities. Forward the information request to the Human Resources Department.

When verification of employment inquiries are received by NMSBVI, Human Resources first review whether there are any specific limitations imposed on the school for release of personnel information related to the subject (such as litigation settlements). If no such limitations exist, Human Resources is authorized to release the following information:

- Position held
- Employment dates
- Status of employment (full-time, part-time, substitute)

Return of NMSBVI School Property

Any property NMSBVI issues to you, such as keys, uniforms, computer equipment, Braille writers, vehicles, etc., must be returned at the time of termination. You will be responsible for any lost or damaged items. The value of property issued and not returned may be deducted from your paycheck. You may be required to sign a wage deduction authorization form for this purpose.
